**Re: OPRA request received March 6, 2023**

Dear Mr. Roberts:

The New Jersey Educational Facilities Authority (“NJEDA” or the “Authority”) received your Open Public Records Act (“OPRA”) request March 6, 2023. The official Records Custodian, Jamie O’Donnell, also received your OPRA request on March 6, 2023. A response to your request was provided to you on March 7<sup>th</sup>, the 1st business day after the custodian’s receipt of said request.

On March 7, 2023, the Authority provided, “the current meter rental information, which was redacted to exclude personally identifiable tax information and account information.”

However, it has come to our attention that the incorrect invoice was attached to the March 7<sup>th</sup> response letter. Attached please find the correct and current invoice for meter charges covering annual services related to postage for the period January 2023 to January 2024. The invoice was redacted to exclude personally identifiable tax information and account information. Note that in my prior correspondence, I incorrectly referred to the invoice as one for “current meter rental information” when the invoice is actually for meter charges, not meter rental. The Authority does not rent the meter.

This response does not waive or limit any other rights afforded this Authority under OPRA, which are all expressly reserved. If you have any further questions please contact Jamie O’Donnell, Custodian of Records, New Jersey Educational Facilities Authority at [jamie.odonnell@njeda.nj.gov](mailto:jamie.odonnell@njeda.nj.gov).

Sincerely,

/s/ Jamie O'Donnell

Jamie O’Donnell  
Records Custodian
