WHEREAS, the Plan Conformance Guidelines requires conforming municipalities to adopt Initial Revisions as a first step of Plan Conformance; the initial revisions are revisions of the existing master plan and development regulations which are deemed necessary by the Highlands Council for prompt enactment by a petitioning local government in order to ensure the protection and enhancement of the resources of the Highlands Region; and

WHEREAS, the Plan Conformance Guidelines includes the adoption of a Development Application Checklist Ordinance as an Initial Revision in order to ensure that any Application for Development not be deemed complete until such time as certain documents have been submitted by the Applicant and to ensure that Applications for Development are consistent or revised to be consistent with the Regional Master Plan; and

WHEREAS, an immediate level of protection to the resources located within the Highlands Region by adoption of revised submission requirements pertinent to Applications for Development therein is required by the Plan Conformance Guidelines; and

WHEREAS, the adoption of revised submission requirements pertinent to Applications for Development therein is essential to ensuring that Applicants achieve compliance with the standards and protections required under the Highland Regional Master Plan despite the interim status of the municipal Plan Conformance ordinances and regulations, this interim period not constituting an appropriate instance in which municipal approvals based upon existing municipal regulatory requirements, can appropriately be issued conditioned upon subsequent approval by the Highlands Council or the New Jersey Department of Environmental Protection (NJDEP), as may occur under usual circumstances; and

WHEREAS, the Township Committee finds that the adoption of such submission requirements are important not only to provide such immediate resource protections, but to ensure the proper management of Applications for Development involving lands within the Highlands Area of the municipality; and

WHEREAS, the Highland Council deems the immediate protections ascribed by this Ordinance to lands in the Planning Area and the Preservation Area of the municipality, eligible for application of the provisions of the Highlands Act at N.J.S.A. 13:20-22 and N.J.S.A. 13:20-24 regarding legal representation to municipalities filing for Plan Conformance and regarding the strong presumption of validity and extraordinary deference afforded to such ordinances;
