Subject: Petition for Plan Conformance
2009 Plan Conformance Grant: Module 7
Clinton Town - Grant # 09-033-011-1005

Dear Mayor Schaumburg:

Thank you for your municipality's submission of all items requested in support of your Petition for Plan Conformance. On behalf of the Highlands Water Protection and Planning Council (Highlands Council), I am pleased to advise you that your municipality's Petition is herewith deemed Administratively Complete. Within 10 days of the date of this letter, the Highlands Council will post the complete Petition on the Highlands Council website at: www.highlands.state.nj.us/njhighlands/planconformance.

After posting, the process of substantive review of the Petition will begin. We anticipate that this phase will require 45-90 days, culminating in preparation of a Draft Consistency Review and Recommendations Report. This Draft Report will provide a detailed assessment of the Petition for Plan Conformance and its level of consistency with the Highlands Regional Master Plan. The Draft Report will be provided to the municipality for review and consideration, with a municipal response period to follow, prior to any further official action. The Highlands Council will also begin consideration of any RMP Updates or Map Adjustments requested by the municipality. Depending upon the nature and complexity of these requests, their processing may occur on a different schedule than the development of the Draft Consistency Review and Recommendations Report. We will advise you regarding the schedules, process and information needs regarding such requests. The opportunity to request new or additional RMP Updates will continue throughout the Plan Conformance process via an automated process being developed for the Highlands Council website.

Please be advised that a finding of Administrative Completeness does not preclude the Highlands Council from requesting additional information, should it prove necessary during the process of substantive review, to clarify, complete, correct, or modify a Petition in the interest of ultimately achieving Plan Conformance.

As previously mentioned, to the extent that you have not already done so, you may submit all 2009 Plan Conformance Grant invoices accumulated through the date of your most recent Petition submittal. All invoices should be grouped by Module and must be broken down by task, employee, date completed, hours spent, and applicable billable rate. As always, if the total amount of the requested reimbursement exceeds the

base amount for a Plan Conformance Grant Program Module, please provide a letter substantiating the need for additional funding along with your invoices. All requests will be considered.

The Staff Liaison for your municipality is Chris Ross, Senior Resource Management Specialist, who may be reached by telephone at (908) 879-6737 ext. 116 or via e-mail at chris.ross@highlands.state.nj.us. If you have questions or concerns regarding grants or invoices, please contact Herbert August, Manager of Grants Administration at (908) 879-6737 ext. 105, or via e-mail at herbert.august@highlands.state.nj.us. Should you or other elected or appointed officials have any other questions, I will also continue to be available to you for all Highlands matters and can be reached at (908) 879-6737 ext. 101, or via e-mail at eileen.swan@highlands.state.nj.us.

Thank you for partnering with the Highlands Council to address the goals of the Highlands Act and protect the unique qualities of the Highlands Region. We recognize the significant time and effort that have gone into development of your Petition for Plan Conformance and look forward to working with you to ensure a successful outcome.

Yours Sincerely,

A handwritten signature in blue ink, appearing to read 'Eileen Swan', with a long horizontal flourish extending to the right.
