Ms. Eileen Swan, Executive Director  
Highlands Water Protection and Planning Council  
100 North Road (Route 513)  
Chester, NJ 07930

Dear Ms. Swan,

On behalf of Glen Gardner Borough, I am pleased to submit to you our Petition for Plan Conformance. The Petition for Plan Conformance is applicable to the entire Borough, as we are located exclusively within the Highlands Preservation Area.

Glen Gardner has addressed all requirements of Plan Conformance to the best of its ability. This is reflected in the following enclosures which are provided both in hard copy and in electronic format:

- Submittal Checklist
- Preservation Area Resolution
- Record of Public Involvement
- Modules 3 through 6 Required Draft Documents
- List of Current Municipal Planning and Regulatory Documents
- Municipal Self-Assessment Report
- Municipal Checklist and MSA Status
- Highlands Implementation Plan and Schedule

The draft program of activities we have identified in order to obtain Full Plan Conformance is very ambitious. We greatly appreciate the Highlands Council support during Basic Plan Conformance and look forward to continued assistance - both financial and technical - that will enable us to fulfill Full Plan Conformance. Likewise, we look forward to discussing our proposed schedule and refining it as needed, to ensure that we are able to address all items in a timely but realistic manner.

Finally, please note that our Municipal Point of Contact is Marilyn Hodgson, RMC, Municipal Clerk. She can be reached at the following address:
