This Plan will be altered over time, to reflect the municipality's progress toward completion of Plan Conformance activities and to address funding and implementation tasks that carry forward into future years. All such changes will involve a collaborative effort and agreement between the municipality and the Highlands Council. It is anticipated that any Highlands Council Resolution of Approval will delegate to the Executive Director authority to modify deadlines for completion, which would occur in consultation with the municipality. No timeframe will be considered to have begun, however, until the municipality has been provided the tools (including grant funding) with which to accomplish each component of the Plan Conformance program.
