Re: Highlands Petition for Conformance with the Regional Master Plan

Dear Ms. Swan,

The Borough of Hampton, Hunterdon County, has been diligently working through the seven modules toward Conformance with the Highlands Regional Master Plan. To that end, the Borough has held several public meetings during which the Municipality's leaders and her citizens have debated the advantages and disadvantages of Conformance in the Planning Area. This letter serves to inform you that the entirety of the Borough including both the lands in the Preservation Area and Planning Area are included in this Petition to Conform to the Highlands Regional Master Plan. Hampton Borough has addressed all requirements of Plan Conformance to the best of its ability.

The designated municipal point of contact shall be the Hampton Borough Municipal Clerk, Cathy Drummond. In addition, you may also contact, the Borough's Planning Consultant, Carl E. Hintz PP, AICP, CLA, ASLA by telephone at (609) 883-8383 or by email at chintz@cchnj.com.

Thank you in advance for your favorable consideration of Borough of Hampton's Petition to Conform to the Highlands Regional Master Plan.

Sincerely yours,

Rob Walton
Mayor
