2009 Plan Conformance Grant: Module 7  
Kinnelon Borough – Grant No. 09-033-011-1415

Dear Ms. Swan:

This office provides GIS services for the Borough of Kinnelon and is providing additional submission materials requested in your January 29<sup>th</sup> 2010 letter to Mayor Glenn L. Sisco. As indicated in a March 5<sup>th</sup> 2010 letter to you from John P. Miller, Esq., additional materials for Modules 5 and 6 will be provided by Ferriero Engineering Inc.

In a conversation with Mr. James Humphries from your office, it was indicated that the maps the Borough submitted with Module 4 would suffice as the maps requested for Modules 5 and 6.

Please find enclosed a complete set of the maps that were provided in Module 4

Very truly yours,

Geoffrey B. Price  
Ferriero Engineering Inc.
