# FINAL DRAFT CONSISTENCY REVIEW AND RECOMMENDATIONS REPORT

**PETITION FOR PLAN CONFORMANCE:  
COUNTY OF PASSAIC**

Prepared by the State of New Jersey Highlands Water Protection and  
Planning Council in Support of the Highlands Regional Master Plan

**NOVEMBER 15, 2010**

**NEW JERSEY HIGHLANDS WATER PROTECTION AND PLANNING COUNCIL**  
**Petition for Plan Conformance - Draft Consistency Review and Recommendations Report**

**INTRODUCTION**

This Final Draft Consistency Review and Recommendations Report (“Report”) has been prepared by the Staff of the New Jersey Highlands Water Protection and Planning Council (“Highlands Council”). It provides review and recommendations for consideration by the Highlands Council as to the consistency of the Petition for Plan Conformance of the County of Passaic, with the Highlands Regional Master Plan (RMP). The Report provides review and discussion of each component of the Petition for Plan Conformance, in the order in which they are set forth under submission guidelines provided to counties by the Highlands Council. It begins with a brief summary of Staff findings, displayed in a table format, to provide an at-a-glance overview of the results of Staff review.

**Petition for Plan Conformance - Draft Consistency Review and Recommendations Report**

**A. REVIEW OF ADMINISTRATIVE SUBMITTALS**

- 1. Resolution.** The Resolution petitioning the Highlands Council for Plan Conformance was adopted by the County Board of Chosen Freeholders at its noticed public meeting of December 8, 2009. The document submitted is appropriately signed, certified, and sealed by the County Clerk to verify authenticity. The language of the Resolution relies upon that of the model provided by the Highlands Council. The Resolution clearly petitions the Highlands Council for Plan Conformance; conformance being proposed only with respect to county lands located in the Preservation Area.
- 2. Record of Public Involvement.** The Petition includes appropriate documentation of the public process engaged in by the county with regard to the development of Petition materials and adoption of the Resolution petitioning the Highlands Council for Plan Conformance. The adopted Resolution and the draft Master Plan Highlands Element indicate that Plan Conformance and the various components thereof were discussed at several public meetings, as follows:

  - a.** Meetings of the Board of Chosen Freeholders “and/or” Planning Board held on November 12, 2009 and December 3, 2009.
  - b.** Meeting of the County Planning and Economic Development Commission held on December 1, 2009.
  - c.** Regular Meeting of the Board of Chosen Freeholders during which the Resolution petitioning for Plan Conformance was adopted, held on December 8, 2009.
- 3. List of Current Planning Documents.** The list of current county planning and regulatory documents is comprehensive and includes required dates of adoption, as applicable. Pursuant to Highlands Council Task D County Plan Conformance Petition instructions, all of these documents should be available in the offices of the Highlands Council in Adobe pdf format and the County has fully addressed this requirement.

**B. REVIEW OF PLAN CONFORMANCE PETITION COMPONENTS**

- 1. Environmental Resource Inventory (Task A).** The proposed County of Passaic Highlands Environmental Resource Inventory (ERI) is based on the Highlands Model ERI provided to counties by the Highlands Council. The document (inclusive of edits suggested therein by the Highlands Council) contains all required Highlands ERI language as necessary, to fully describe the Highlands Resources, Resource Areas, and Special Protection Areas located within the county. All applicable maps/exhibits have also been provided (separately in the case of electronic version of files), for appending to the document. As such, the Highlands ERI is consistent with the RMP and the immediate mandatory requirements of Plan Conformance.

  - a. Deleted Exhibits.** The following exhibits from the model Highlands ERI are not relevant to the county (or the Preservation Area portion, for which it seeks Plan Conformance) and have thus been deleted from the County submission: Agricultural Resource Area, Agricultural Priority Area.
  - b. Document Edits.** The County has reviewed and addressed all document edits. All text in the document is now complete, inclusive of insertions as provided by the County.
  
- 2. Master Plan Highlands Element (Task B).** The proposed County of Passaic Master Plan Highlands Element is based on the model Highlands Element provided to counties by the Highlands Council. The document as now proposed (including modifications by the Highlands Council), contains all required Highlands Element language as necessary, to fully address the immediate mandatory requirements of Plan Conformance. All applicable maps/exhibits have also been provided. (A placeholder map has been provided for Exhibit II, State Plan Planning Areas, to be updated by the County.)

The specific components of the model Highlands Element are listed below. Where each is consistent with the Highlands Council model or otherwise satisfactorily addresses all RMP requirements for Basic Plan Conformance, the heading or sub-heading indicates “Consistent.” Where any section of the model Highlands Element has been appropriately deleted due to non-applicability, the heading or sub-heading indicates “Not Applicable – Deleted.” Where modifications are required to complete the document for purposes of adoption by the County Planning Board, the heading or text indicates, “Minor Modifications Required for Completion.” If needed, explanatory discussion is provided.

- a. Policies, Goals & Objectives.** Consistent.

  - i.** Preservation Area Goals. Consistent.
  - ii.** Land Use Planning & Management. Consistent.

- h. Sustainable Economic Development Plan Element.** Consistent.
  - i. Relationship of Master Plan to Other Plans.** Consistent.
  - j. Exhibits.** The list of Exhibits includes all that apply to the county. The applicable Exhibits have been provided, with the exception of one, the SDRP Planning Areas, which will be provided prior to adoption of the Highlands Element. (A placeholder has been inserted by the Highlands Council produced using the Highlands Council Interactive Mapping Tool, which the County will replace.) The Exhibits are labeled in accordance with numbered citations within the text (after modifications by the Highlands Council).
- 3. Highlands Land & Facilities Regulations (Task C).** The proposed County of Passaic Highlands Land and Facilities Regulations document is based on the model provided to counties by the Highlands Council. The document as proposed (including minor modifications by the Highlands Council), contains all required Highlands Land and Facilities Regulations language, as necessary, to fully address the immediate mandatory requirements of Plan Conformance. All applicable maps/exhibits have also been provided.

The specific components of the model Highlands Land and Facilities Regulations are listed below. Where each is consistent with the Highlands Council model or otherwise satisfactorily addresses all RMP requirements for Basic Plan Conformance, the heading or sub-heading indicates “Consistent.” Where any section of the model Highlands Land Use Resolution has been appropriately deleted due to non-applicability, the heading or sub-heading indicates “Not Applicable – Deleted.” Where modifications are required to complete the document for purposes of adoption, the heading or sub-heading indicates, “Minor Modifications Required for Completion.” If needed, explanatory discussion is provided.

4. **Land Development Resolution (Task C).** The language of the County Land Development Resolution slightly modifies that of the model provided by the Highlands Council. The Resolution appropriately amends the Land Development Review standards of the County to incorporate the provisions required with regard to applications for development, and is therefore consistent with Highlands Council requirements of Basic Plan Conformance.

- a. Application Completeness Requirements. Consistent.
- b. Final County Reports. Consistent.
- c. Reporting Requirements. Consistent.
- d. County Supplemental Provisions. Consistent.

5. **Petition Submission Documents (Task D).**

a. **County Self-Assessment Report.** The County Self-Assessment Report consists of two components as listed herein. The Report accurately and completely describes the status of county Plan Conformance to date, indicating both county accomplishments and the items that remain to be completed to achieve Full Plan Conformance.

i. **Narrative Portion.** The Narrative Portion has been completed accurately for purposes of Basic Plan Conformance.

ii. **Spreadsheet Portion.** The Spreadsheet Portion has been completed accurately for purposes of Basic Plan Conformance.

b. **Highlands Implementation Plan & Schedule.** The Highlands Implementation Plan and Schedule provides a template for future Plan Conformance activities. It is intended to indicate all outstanding items, both required and discretionary, along with estimated costs and timeframes for completion, for the county to achieve or exceed Full Plan Conformance with the Regional Master Plan.

The County Highlands Implementation Plan and Schedule: a) includes all mandatory components required to achieve full Plan Conformance; and b) incorporates timeframe estimates associated with each mandatory element. Several non-mandatory Full Plan Conformance activities have been added to the Schedule, which, along with estimated costs for completion, may be considered in the post-Petition approval period. Passaic County has not yet submitted an application for Plan Conformance Grant funding, but intends to do so and may do so at any time, including in the post-Petition approval period. The Highlands Implementation Plan and Schedule will be modified as needed to address and include all funding aspects after a Plan Conformance Grant application has been filed.

**Petition for Plan Conformance - Draft Consistency Review and Recommendations Report**

**D. PRELIMINARY RECOMMENDATIONS**

On the basis of the comprehensive review completed and discussed in detail in the preceding Sections, which examined both sufficiency of administrative submittals and consistency of all substantive materials with the Highlands Regional Master Plan, Highlands Council Staff recommends that the Petition for Plan Conformance of the County of Passaic, as currently proposed by the County, be approved with conditions as outlined below.

**1. Approval with Conditions.** Highlands Council Staff recommend that this Petition for Plan Conformance be approved by the Highlands Council. The approval should be conditioned upon satisfactory completion of all items noted within Sections A through C of this Report (including all items addressed in the herein-referenced Highlands Council Staff-provided MSWord “Track-Changes” versions of the various Petition documents), and in addition, satisfaction of the below-listed requirements.

**a. Adoption of Approved Highlands ERI.** The Highlands Environmental Resource Inventory (ERI) shall be prepared in a clean, final document format for purposes of public review and adoption. A copy shall be provided to the Highlands Council. The county shall provide for and complete the required process of formal adoption of the ERI by the appropriate County Board or Commission. At the conclusion of the process, a certified copy of the adopted ERI shall be provided to the Highlands Council. The process of ERI adoption shall be conducted in accordance with all applicable legal requirements and protocols, and shall be guided by the timeframes set forth in the approved Highlands Implementation Plan and Schedule. Should this process lead to proposed modifications to any portion of the ERI, the proposed changes shall be submitted to the Highlands Council for review. In the event the Highlands Council determines that any proposed modification is of a substantive nature, Highlands Council approval shall be required prior to adoption by the local Commission or Board.

**b. Adoption of Approved Master Plan Highlands Element.** The Master Plan Highlands Element shall be prepared in a clean, final document format for purposes of public review and adoption. A copy shall be provided to the Highlands Council. The county Planning Board shall arrange for the required process of scheduling, notice, public hearing, consideration, and formal adoption of the Highlands Element by the county Planning Board. At the conclusion of the process, a certified copy of the adopted Highlands Element shall be provided to the Highlands Council. The process of Highlands Element adoption shall be conducted in accordance with all applicable legal requirements and protocols, and shall be guided by the timeframes set forth in the approved Highlands Implementation Plan and Schedule. Should this process lead to proposed modifications to any portion of the Highlands Element, the proposed changes shall be submitted to the Highlands Council for review. In the event the Highlands Council determines that any proposed

modification is of a substantive nature, Highlands Council approval shall be required prior to adoption by the local Planning Board.

- c. Adoption of Approved Highlands Land & Facilities Regulations.** The Highlands Land and Facilities Regulations shall be prepared in a clean, final document format for purposes of adoption. A copy shall be provided to the Highlands Council. The county Board of Chosen Freeholders shall arrange for the process of formal adoption of the Highlands Land and Facilities Regulations by the county Board of Chosen Freeholders. At the conclusion of the process, a certified copy of the adopted Highlands Land and Facilities Regulations shall be provided to the Highlands Council with notice of its effective date. The process of Highlands Land and Facilities Regulations adoption shall be conducted in accordance with all protocols pursuant to the County Planning Act (N.J.S.A. 40:27-1 et seq.), as applicable, and shall be guided by the timeframes set forth in the approved Highlands Implementation Plan and Schedule. Should this process lead to proposed modifications to any portion of the Highlands Land and Facilities Regulations, the proposed changes shall be submitted to the Highlands Council for review. In the event the Highlands Council determines that any proposed modification is of a substantive nature, Highlands Council approval shall be required prior to adoption by the Board of Chosen Freeholders.
- d. Adoption of Approved Highlands Land Development Resolution.** The Highlands Land Development Resolution shall be prepared in a clean, final document format for purposes of public review and adoption. A copy shall be provided to the Highlands Council. After the county Planning Board has adopted the Master Plan Highlands Element, the county Board of Chosen Freeholders shall arrange for the required process of scheduling, notice, public hearing, consideration, and formal adoption of the Highlands Land Development Resolution by the county Board of Chosen Freeholders. At the conclusion of the process, a certified copy of the adopted Highlands Land Development Resolution shall be provided to the Highlands Council with notice of its effective date. The process of Highlands Land Development Resolution adoption shall be conducted in accordance with all legal requirements and protocols pursuant to the County Planning Act (N.J.S.A. 40:27-1 et seq.), and shall be guided by the timeframes set forth in the approved Highlands Implementation Plan and Schedule. Should this process lead to proposed modifications to any portion of the Highlands Land Development Resolution, the proposed changes shall be submitted to the Highlands Council for review. In the event the Highlands Council determines that any proposed modification is of a substantive nature, Highlands Council approval shall be required prior to adoption by the Board of Chosen Freeholders.
- e. Adherence to Approved Highlands Implementation Plan & Schedule.** The county shall undertake to complete all remaining mandatory Plan Conformance activities listed in the approved Highlands Implementation Plan & Schedule, in

**NEW JERSEY HIGHLANDS WATER PROTECTION AND PLANNING COUNCIL**  
**Petition for Plan Conformance - Draft Consistency Review and Recommendations Report**

accordance with: a) the timeframes set forth therein, to the maximum extent feasible and practicable, or with such adjusted timeframes as may be authorized by the Highlands or otherwise mutually agreed by the county and the Highlands Council; and b) the availability of funding from the Highlands Council or, on a voluntary basis, by the county or other party, to ensure the satisfactory completion of each project or activity, or each phase of such project or activity, as appropriate. Non-mandatory Plan Conformance activities shall neither take precedence over nor shall impede the completion of mandatory items and shall be undertaken only as time and resources are available to support them.

**i. Development/Approval of Implementation Plan Components.**

Within the constraints above, all planning, regulatory, and resource management documents shall be prepared and provided to the Highlands Council for review and approval prior to formal adoption by the applicable county board, commission, or Board of Chosen Freeholders.

**ii. Adoption of Regulations Implementing Plan Components.**

All resolutions, rules, and regulations shall be prepared and provided to the Highlands Council for review and approval prior to formal adoption by the applicable county board, commission, or Board of Chosen Freeholders.

**f. Revisions/Amendments Subject to Highlands Council Approval.**

Any proposed revision or amendment to any of the aforementioned documents, or to any other document, plan, or other item approved by the Highlands Council as a component of Plan Conformance, shall be provided to the Highlands Council for review. In the event the Highlands Council Staff determines that any proposed modification is of a substantive nature, Highlands Council approval shall be required prior to adoption by the applicable county board, commission, or Board of Chosen Freeholders. Any revision or amendment adopted without the approval of the Highlands Council may subject the county to revocation of Plan Conformance approval.

**2. Optional Petition Requests.** The RMP Updates requested in connection with this Petition for Plan Conformance have been approved and processed by the Highlands Council.

**E. COUNTY RESPONSE PERIOD**

*All county Petitioners are provided a County Response Period after receipt of the Draft Consistency Review and Recommendations Report. This Section is completed after the expiration of the County Response Period or as of the date a county chooses, if applicable, to waive its right to the County Response Period.*

The Highlands Council provided a Draft Consistency Review and Recommendations Report to Passaic County dated July 30, 2010 (sent on August 2, 2010). The County Response Period expired on October 22, 2010. The County provided revised and supplemental materials, and information in support of the Petition for Plan Conformance, prior to expiration of that Period, for Highlands Council consideration.

The County Response submittals included the items listed below, each described and discussed in relation to the matter of consistency with the Regional Master Plan and sufficiency to meet the requirements for Basic Plan Conformance.

1. **Current Planning Documents in Adobe PDF Format.** All requested documents have been provided, thus fully addressing this requirement.
  - a. Passaic County Land Use Element – April 1988
  - b. Passaic County Open Space Plan – April 2001
  - c. Passaic County Farmland Preservation Plan – September 2008
  - d. Passaic County Subdivision Resolution – June 2005
  - e. Passaic County Site Plan Resolution – December 2007
2. **Draft Passaic County Highlands Environmental Resource Inventory.** The submittal contained final edits as needed for completion.
3. **Passaic County Highlands Environmental Resource Inventory Exhibits.** Final.
4. **Draft Passaic County Master Plan Highlands Element.** Edits address all outstanding items, as noted above.
5. **Draft Passaic County Highlands Land & Facilities Regulations.** Edits address all outstanding items, as noted above.
6. **Draft Passaic County Land Development Resolution.** Edits address all outstanding items, as noted above.

**NEW JERSEY HIGHLANDS WATER PROTECTION AND PLANNING COUNCIL**  
**Petition for Plan Conformance - Draft Consistency Review and Recommendations Report**

**F. COMMENTS FROM THE PUBLIC**

*Following the County Response Period and the incorporation by Highlands Council Staff of any revisions resulting from the County Response, as noted above, the Draft Consistency Review and Recommendations Report will be posted to the Highlands Council website and made available (in paper format) at the Highlands Council offices in Chester, NJ, for review and comment by the general public. Comments may be submitted to the Highlands Council by e-mail ([judy.thornton@highlands.state.nj.us](mailto:judy.thornton@highlands.state.nj.us)), facsimile transmission (908-879-4205), surface mail, or hand delivery (Highlands Council, 100 North Road, Chester, NJ 07930). All comments will be made available for public inspection in the offices of the Highlands Council in Chester, NJ. At the conclusion of the public comment period, a summary comment/response document will be prepared by Highlands Council Staff which will be posted to the Highlands Council website along with any final revisions resulting from Council review and consideration of public comments.*

Upon its completion, the comment/response document will be attached to this document, at Appendix B.

**G. FINAL RECOMMENDATIONS**

*This Section is completed after review and consideration of all comments regarding a Petition for Plan Conformance.*

Based upon the comments received, the recommendations of Highlands Council Staff concerning the Petition for Plan Conformance of the County of Passaic, [remain unchanged/require substantial revision/require only minor modifications from the Preliminary and/or Revised Recommendations, as discussed herein below.

1. Item #1.
2. Item #2.
3. Item #3. ]

**In conclusion, the Highlands Council Staff recommends that the Petition for Plan Conformance of the County of Passaic, be approved/denied/approved with conditions; with all applicable conditions being those listed and discussed in Section D, above, and if applicable, as supplemented and/or modified by the revisions discussed herein, above.**

**HIGHLANDS COUNCIL REVIEW**

**REQUESTS FOR RMP UPDATES**

**County of Passaic**

**NEW JERSEY HIGHLANDS WATER PROTECTION AND PLANNING COUNCIL**  
**Petition for Plan Conformance - Draft Consistency Review and Recommendations Report**

Following is an excerpt from the March 31, 2010 report provided to Passaic County in response to its requests for RMP Updates.

**County:** Passaic County

**Date:** March 31, 2010

**RMP UPDATES/MAP ADJUSTMENTS**

**COUNTY/MUNICIPAL RMP UPDATE REVIEW**

**1. County Request:** (Bloomingdale Township) On page 37 of the “Land Preservation and Land Stewardship Plan” a reference to Exhibit AA – mapped inventory of preserved land, needs an amendment to include the County Park known as “Friendship Park” on Glenwild Avenue in Bloomingdale borough (consisting of Block 32.01, Lots 8, 9, 10.01, Block 92.01, Lot 38.01, approximately 36.8 acres recently preserved, as well as Block 32, Lot 22 and Block 92, Lot 182, roughly 8.4 acres previously preserved).

**Findings:** County information submitted is sufficient for processing an RMP Update and will be incorporated into the Highlands spatial database. Please note that the updated information will not necessarily result in a change of Highlands Land Use Capability Map (LUCM) Zone or Sub-Zone designation. A RMP Update Report incorporating the RMP Update will be provided, along with a determination of whether a change to the LUCM Zone resulted.

**2. County Request:** (West Milford Township) On page 42, “Agriculture Retention/Farmland Preservation Plan” again, a reference to Exhibit DD – mapped inventory of preserved farmland, needs an amendment to include Eden Farms, Union Valley Road, West Milford township, consisting of approximately 6.8 acres (Block 7212, Lot 4.01), which was preserved by the County of Passaic in May 2009.

**Findings:** County information submitted is sufficient for processing an RMP Update and will be incorporated into the Highlands spatial database. Please note that the updated information will not necessarily result in a change of Highlands Land Use Capability Map (LUCM) Zone or Sub-Zone designation. A RMP Update Report incorporating the RMP Update will be provided, along with a determination of whether a change to the LUCM Zone resulted.
