HISTORIC PRESERVATION ORDINANCE

CHAPTER 625. ZONING

ARTICLE XXI. Historic Preservation

§ 625-100. Short title.

This article shall be known and may be referred to as the "Historic Preservation Ordinance of the Town of Phillipsburg."

§ 625-101. Scope.

- A. It is the intention of the Town Council of the Town of Phillipsburg to designate and regulate historic sites within the Town consistent with and pursuant to the Municipal Land Use Law of the State of New Jersey (N.J.S.A. 40:55D-1 et seq.).
- B. A Commission is hereby created to review the potential effect of development and permit applications on designated historic sites and to work with and advise the planning board and individual property owners on the effect of applications coming before either Board on designated historic properties or improvements within a historic district.
- C. This article is intended to regulate only those activities on designated sites which require a permit from a municipal officer or employee or which require an application for development to the planning board. Nothing herein shall prevent review of other activities by the Commission, but such review is not required by the adoption of this article.
- D. This article does not require or prohibit any particular architectural style. New construction upon or near a historic site should not necessarily duplicate the exact style of the site; rather, it should be compatible with and not detract from the historic site.

§ 625-102. Findings and purpose.

The Town Council of the Town of Phillipsburg finds and determines that the Town has many historic and architecturally significant properties, together with groupings of properties of generally vernacular structures. These properties contribute visually to the character and integrity of the Town and are important in assessing the historic patterns of development and the Town's history. Maintaining, preserving, and rehabilitating these visual links to the past is an important function of government, not only to provide a sense of stability and continuity for future generations, but to provide impetus for the revitalization of the Town's economic base and for the resulting increase in property values. Moreover, the Town's planning board adopted a historic preservation master plan element in April 2017 that contains a list of historically significant properties and districts in Phillipsburg and made certain recommendations regarding their preservation.

§ 625-103. Establishment of Historic Preservation Commission; membership; terms; vacancies.

- A. Establishment. Pursuant to the provisions of N.J.S.A. 40:55D-107 et seq., the Town of Phillipsburg Historic Preservation Advisory Commission (hereafter "Commission") is hereby established and created.

The Commission shall consist of seven regular members, one of which shall be Class A and two of which shall be Class B, and who shall serve without compensation, except that Commission members shall be reimbursed for reasonable and necessary expenses incurred in the performance of official business within the guidelines of the budget established by the Town Council. Commission members shall be appointed solely by the Mayor. The Commission shall include members from each of the following classes:

- C. Term; vacancies; removal. The terms of members shall be for four years. The terms of the initial members appointed under this article shall be staggered, to the extent possible, evenly over the first four years after their appointment. The term of any member common to the Commission and the planning board shall be for the term of membership on the planning board. All members, at the expiration of their terms, may be eligible for appointment to an additional four-year term. Appointments to fill vacancies shall be only to complete the unexpired terms. Vacancies shall be filled within 60 days. A member of the Commission may, after public hearing if requested, be removed by the Town Council for cause.

§ 625-104. Organization of Historic Preservation Commission.

Council at the rate of compensation determined by the governing body. Expenditures pursuant to this subsection shall not exceed, exclusive of gifts, grants or other sources of self-generated revenue, the amount appropriated by the governing body for the Commission's use and shall be in accordance with the Local Public Contracts Law.

- (3) Escrow and application fee schedules, which are necessary to reimburse the Commission for costs incurred pursuant to § 625-104B(2), shall be established and adopted via ordinance by the Town Council.

C. Meetings; procedures; decisions. The Commission shall reorganize annually, each January. The Commission may adopt such administrative rules, regulations, procedures and forms for applications by formal resolution, as shall provide for the orderly conduct of its business and processing of applications, provided that such rules, regulations and procedures shall not be inconsistent with any provision of this article. A quorum shall consist of four members. All Commission meetings shall be subject to the Open Public Meetings Act. To the extent practical, the procedures followed by the Commission as to public hearings, voting, etc., shall be patterned after those of a planning board pursuant to the Municipal Land Use Law. Decisions by the Commission shall be in writing by resolution setting forth findings of fact and conclusions of law. The Commission may follow the procedure for memorializing decisions as is permitted for planning boards.

The administrative officer is bound by the planning board's decision.

(3) Demolitions and Relocations.

- a. The planning board, upon affirmative vote of a majority of the membership, may postpone the demolition or relocation of a historic property ancillary to a development application for up to one year. The planning board may request that the Town Council initiate such actions as may lead to the preservation of the premises within the one-year hiatus. In its review of an application to demolish a site pursuant to this section, the Commission may require the applicant to prepare a financial analysis which may include any or all of the following:
