

Active Shooter Incident Management- Basic (ASIM B)

Location: New Jersey Task Force 1
2350 Highway 34
Wall, NJ 08736

Date: September 15th, 2023 (Friday, 1/2 day)

Time: 8:00 AM to 12:00 PM (morning session)
1:00 PM to 5:00 PM (afternoon session)

Course Description:

The ASIM – Basic is an awareness level course designed to improve incident management and integration of first responders and public safety personnel to active shooter events. The course provides a model framework for use by law enforcement, fire and EMS, to manage active shooter event response to improve time to threat neutralization, medical intervention, and survivability of victims. The framework utilizes the Active Shooter Incident Management Checklist, a validated active shooter event response checklist integrating best practices guided by principles of the National Incident Management System (NIMS), Tactical Emergency Casualty Care (TECC), and Advanced Law Enforcement Rapid Response (ALERRT).

Additional Information:
