WIOA Local and Regional Plan Modifications, 2019

Frequently Asked Questions - FAQs

- Q: **Where can I get the final guidance documents for local and regional WIOA planning?**
A: On the SETC website under “WDB Resources” at <http://njsetc.net/njsetc/localwdb/resources/>
- Q: **Do I have to re-format the entire plan, or can I submit in the same style as last time?**
A: If your plan was approved, you should keep the same format and just update as needed. Be sure to make all your changes (new text) in **blue font**, or your plan modification will not be accepted!
- Q: **Can local WDB Directors receive updates on the GAINS Apprenticeship and PACE Pre-Apprenticeship grants that are awarded to organizations throughout the state?**
A: The LWD Office of Apprenticeship will continue to send out updated lists of grant awardees. (Last update sent to WDB Directors on 4/2/2019.)

- Q: **Is there clarifying language that can be shared with local WDBs about the WIOA performance targets and outcomes and the data transition process?**
A: Yes, the LWD Office of Research and Information provided a clear outline in the Local Area WIOA Performance Letter dated February 27, 2019. This letter was provided to all local workforce areas and is available at <http://njsetc.net/njsetc/localwdb/resources/> for reference.

This FAQs list will continue to be updated during the Local and Regional Plan Modification process. Check back in at <http://njsetc.net/njsetc/localwdb/resources/> for updates and additional resources.
