

In Remembrance of
Monsignor Philip A. Lowery
February 22, 1949 - November 28, 2019

Monsignor Lowery served as Chief Chaplain for the New Jersey State Police for over 23 years. He offered spiritual guidance to troopers and members of their families with passion and concern. As a member of Task Force 1, he provided support in the aftermath of September 11, Hurricane Katrina, and other incidents where someone was in crisis. He taught at our Academy and officiated over many State Police ceremonies or funerals. His presence, warm smile, sense of humor, and abiding faith will be missed.
