

## NEW JERSEY STATE POLICE Range Authorization Form

On Monday, April 27, 2020, Philip D. Murphy, Governor of the State of New Jersey, issued Executive Order 129 addressing individual Carry Permits pursuant to N.J.S.A. 2C:58-4.

In limited circumstances, this Executive Order allows a shooting range that is otherwise closed, pursuant to Executive Order 107 (2020), to offer individuals and their single instructors the ability to complete training and practice for the purpose of testing to satisfy N.J.A.C. 13:54-2.4 or N.J.A.C. 13:54-2.9. When a Police Chief, State Police Station Commander and/or the Superior Court find that the applicant would qualify for such permit except that the applicant cannot show the requisite familiarity with the safe handling and use of handguns under N.J.S.A. 2C:58-4, N.J.A.C. 13:54-2.4, and/or N.J.A.C. 13:54-2.9 due to the restrictions imposed in response to the Public Health Emergency declared in Executive Order No. 103 (2020), this Range Authorization Form should be issued.

This form, upon the signature of either the Chief of Police or NJSP Station Commander, as applicable, or a Judge of the Superior Court, authorizes the identified individual and their single instructor access to a shooting range for the sole purpose of completing the described training, practice, or testing. The shooting range may offer such individual and their single instructor access to that range for the sole purpose of completing the described training, practice or testing.
