

SECTION VII

NEW JERSEY MUNICIPAL - COUNTY OFFENSE AND DEMOGRAPHIC DATA

- All crime rates are based on permanent, year-round populations. Comparisons of crime rates between individual municipalities should not be made without giving major consideration to the volume of seasonal population, transients, tourists and labor forces.
 - All offenses are recorded in the municipality of occurrence, regardless of the outside investigative agency, i.e., Federal, State, County, College Campus Police.
- † Crime rates were not computed for municipalities with population less than 100.
