

STATE OF NEW JERSEY
DEPARTMENT OF LAW AND PUBLIC SAFETY
DIVISION OF ALCOHOLIC BEVERAGE CONTROL

ADVISORY NOTICE TO THE ALCOHOLIC BEVERAGE INDUSTRY
CONCERNING DIGITIZATION OF ABC BULLETINS

The Division began publishing ABC Bulletins in 1933, shortly after passage of Title 33, Intoxicating Liquors. ABC Bulletins are compilations of agency decisions and other notices to the alcoholic beverage regulated community and industry that are disseminated by the Division, pursuant to N.J.S.A. 33:1-39. The Bulletins – numbering approximately 2,500 – set forth the history and policies of the Division.

The Division has worked closely with the New Jersey State Library to digitize the Bulletins and make them available, accessible and searchable by the public and attorneys practicing ABC law. The Division is grateful to the New Jersey State Library for their generous collaboration that has created an invaluable resource for the alcoholic beverage industry.

The digital collection of ABC Bulletins is accessible via menu links on the Division's and the New Jersey State Library's websites. For convenience, the menu links are included below.

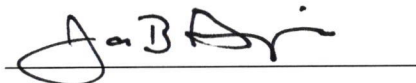

From the Division's website home page, the ABC Bulletins are accessible via the "ABC Bulletins" menu link:
