3. The existing vehicles associated to the permit which have a current insignia will be displayed.

<table>
<thead>
<tr>
<th>Make/Model/Year</th>
<th>License Plate</th>
<th>State of Registration</th>
<th>Leased</th>
<th>Insignia Number</th>
</tr>
</thead>
<tbody>
<tr>
<td>HONDA CRV 2008</td>
<td>(None)</td>
<td>37518</td>
<td>Leased</td>
<td>$150</td>
</tr>
</tbody>
</table>

- You will have the option to add and/or remove vehicles.
- To renew a vehicle, leave the vehicle information in place. **Vehicle license plate and State of registration are now required.** You will need to enter that information.

![Example Plate](image)

- To remove a vehicle, click the red X at the end of the vehicle row to be removed.

![Remove Vehicle](image)

- To add a new vehicle, click the New Vehicle button and enter the required information for that vehicle in the popup box. You may add as many vehicles as you need by clicking on the New Vehicle button for each vehicle.
