#### ***Program Summary***

This intensive 4-day trial advocacy program combines presentations and learn-by-doing workshops, culminating in a mock trial on the last day. The presentations, which will be by experienced faculty, will cover opening statement, direct examination, cross examination, persuasive use of exhibits, case theory, closing arguments, and the ethics of witness preparation. The participants, in turn, will perform in a series of learn-by-doing workshops, in which they will incorporate what they learned from the presentations and others in dealing with discrete phases of the trial process. All participants then will "try" their case in a mock trial on the last day of the program.
