Program Summary

The Supreme Court of Pennsylvania requires that newly admitted lawyers complete a Bridge the Gap program prior to their first mandatory CLE deadline. This program provides the information necessary to smooth the transition from law student to attorney. It assists recent law school graduates with practical aspects of the practice of law, which can otherwise be learned through trial and error. This basic program will provide practical insight into the key areas that new lawyers need to know in order to comply with the Rules of Professional Conduct and avoid potential malpractice claims. Moderators will lead a discussion format and answer participants' questions.

Who Should Attend?

This program is intended solely for newly admitted Pennsylvania attorneys who must fulfill their mandatory Pennsylvania Bridge the Gap requirements.
