**Program Summary**

Rule of Professional Conduct 4.2 prohibits an attorney from communicating about a matter with a person who the attorney knows, or by the exercise of reasonable diligence should know, is represented by counsel in the matter. This presentation will focus on identifying the issues and legal principles that arise from the application of **R.P.C. 4.2** by government attorneys, particularly in the context of investigating and prosecuting a criminal matter. Among the issues to be addressed will be: What does **R.P.C. 4.2** prohibit? How does an attorney evaluate whether a person should be deemed to be represented when they are part of an organization known to be represented? When is there a “matter” as defined in **R.P.C. 4.2**? Are *ex parte* communications with represented persons ever authorized, particularly if the attorney believes that a crime may be ongoing? How does **R.P.C. 4.2** impact communications with represented persons via social media?
Who Should Attend?

This presentation is intended for DAsG, AAsG and county prosecutors that deal with criminal matters, however others may find this presentation of interest.
