#### ***Program Summary***

No Supreme Court decision on criminal law has been more misunderstood than *Miranda v. Arizona*. This presentation will cover many of the most common myths and misconceptions about *Miranda*. The goal is to help prosecutors develop a better understanding of the legal standards applicable to Fifth Amendment jurisprudence so they can make all reasonable arguments on behalf of the State in court and provide sound advice to law enforcement officers in the field.

#### ***Who Should Attend?***

This program is intended for attorneys who handle criminal cases. Others, however, may find the issues discussed to be of interest.
