Program Summary

The Division of Gaming Enforcement and the Casino Control Commission regulate all aspects of wagering in New Jersey, from the 1978 debut of casino gaming in Atlantic City to the inception of sports wagering in casinos, racetracks and via mobile platforms forty years later.

This program will focus on the history of casino gaming, the structure and distinct roles of its two regulatory agencies, the standards for licensing casinos, service industries, and employees and the protracted effort to authorize sports wagering in New Jersey. It will also cover the operational controls applicable to traditional casino games and sports wagering.
