

BUDGET NARRATIVE

Statewide Multi-Jurisdictional Task Force

To support state level task force for the investigation and prosecution of gangs, guns and narcotics cases.

County Multi-Jurisdictional Task Force

The task forces, each under the operational control of the county prosecutor, target drug and violent crimes within their jurisdictions.

Organized Crime, Gang and Narcotics Task Force

The task force targets aspects of narcotic distribution and gang activity within the state through intelligence led policing.

Criminal Justice Information Sharing

Integration and enhancements of NJ's statewide information sharing networks. Initiatives are coordinated through the Criminal Justice Information Systems Policy Committee (CJIS).

Megan's Law Coordination

Coordinate Megan's Law training and oversight of the 21 county prosecutors.

Targeting Violent Crime Initiative

Support efforts designed to reduce violent crime through intelligence-led policing with the focus directed towards the seven municipalities with the highest rates of gun violence in the state.

Major Urban/Urban 15 Crime Initiative

Support efforts designed to reduce violent crime through intelligence-led policing with the focus directed towards the local municipalities with the highest rates of violence in the state.

Urban/Suburban Crime Initiative

Support efforts designed to reduce violent crime through intelligence-led policing with the focus directed towards the local municipalities that share borders with the Major Urban/Urban 15 Crime Initiative municipalities.
