Effective June 1997, the PTC replaced the ***Modified Basic Course for Investigators (MBCI)*** with a requirement that newly-hired county prosecutor's investigators and detectives, with previous law enforcement experience and training, must complete. A core in-service training curriculum consists of the following courses: **Criminal Procedure Update, Internal Affairs Policy and Procedure, Interview & Interrogation, and Investigator Safety and Security**. **These four courses are NOT open to any other Law Enforcement personnel.** Information concerning each of these specific courses is provided below.

These courses will be offered on four consecutive days in both the spring and fall. You **must** choose either the spring or fall courses and complete same within the four day block. You **cannot** split the classes between spring and fall. Few exceptions for splitting the classes may be considered by providing written request to the PTC, with valid reason, and the PTC having granted your request PRIOR to the class start date.

**Criminal Procedure Update (MBCI Course) FEE: \$50:00**

This one-day program will update newly-appointed prosecutor's investigators and detectives with police experience in the recent development in the laws of search warrants and exceptions to the warrant requirement, as well as Identity Theft and Document Fraud. This training will focus on court decisions which have been recently handed down by the United States Supreme Court and the New Jersey courts. In addition to providing a comprehensive update of new material, the seminar will simultaneously serve as a refresher for those persons who have not had an opportunity to attend a criminal procedure update for a number of years. Moreover, throughout the course, innovative teaching techniques and procedures will be offered, along with helpful suggestions for instructing new or veteran officers on this topic.

**Registration:** **Registration will be exclusive to county prosecutor's investigators/detectives who are required to attend in order to obtain PTC Certification ONLY.**
