IMPORTANT GUIDELINES FOR COLLECTING DATA - PLEASE READ

DCR recommends that the following means be utilized by owners to collect the information required by the DCR's MDRR.

TENANTS\APPLICANTS

DCR has developed an MDRR Tenant/Applicant Inquiry Form to assist landlords in collecting, recording, and retaining the information required by the MDRR. The form should be used to assist the landlord in completing the annual MDRR report. Please note that the use of this form is not a requirement; however, landlords must maintain the information required by the MDRR in any uniform convenient manner separate and apart from rental records.

The Tenant/Applicant Inquiry Form is composed of two parts. The top portion is designed to educate tenants/applicants about the New Jersey Law Against Discrimination, *N.J.S.A. 10:5-1 to -49*, and to clarify the Division's purpose in collecting the required information. The tenant/applicant should retain the top portion after completing the form. The bottom portion should be completed by the tenant/applicant. If the tenant/applicant refuses to complete the form, the landlord is required to conduct a visual observation of the tenant/applicant, then complete the form as accurately as possible. **The completed form, or the information collected must be kept separate and apart from rental records and must be retained for a period of three years.**

NOTE-N.J.A.C. 13:10-1.1 et seq. does not authorize any owner or owner's agent to ask or record the religion, gender, affectional or sexual orientation, or citizenship status of any tenant or applicant.
