

## **Expiration of Gaming Vouchers**

Dated: March 27, 2020

The Division of Gaming Enforcement (“DGE”) has received inquiries regarding gaming vouchers and winning retail slot tickets which have a one-year expiration date that will occur during the period of casino closure. The DGE has determined that the expiration dates for these tickets will be automatically extended to occur 30 days after the casinos and sports books are authorized by the Governor to reopen. Vouchers and winning sports wagering tickets that expire on or after March 16, 2020 and before the day which is thirty days after the reopening Order can be redeemed at the cashier’s cage of the casino or race track where the slot machine was played or the sports wager was made. The DGE is taking this step to protect consumers and to ensure that all patrons have a full and fair opportunity to redeem outstanding vouchers and winning sports tickets.
