NOTE 2 - RECENTLY ADOPTED ACCOUNTING PRONOUNCEMENTS

In April 2010, the FASB issued guidance on accruing for jackpot liabilities. The guidance clarifies that an entity should not accrue jackpot liabilities (or portions thereof) before a jackpot is won if the entity can avoid paying that jackpot. Jackpots should be accrued and charged to revenue when an entity has the obligation to pay the jackpot. This guidance applies to both base jackpots and the incremental portion of progressive jackpots. The guidance became effective for fiscal years, and interim periods within those fiscal years, beginning on or after December 15, 2010. This guidance should be applied by recording a cumulative-effect adjustment to opening retained earnings in the period of adoption. The adoption of this guidance on January 1, 2011 had no impact on the Company's financial statements.

During March 2011, certain amendments to the New Jersey Casino Control Act (the "Act") became effective which, among other things, allowed a casino licensee to terminate a progressive slot machine jackpot or in-house linked progressive slot machine jackpots by providing a minimum of thirty days' notice to patrons provided that such game is permanently removed from all of its casino floors. In connection with this amendment, in March 2011, the Company recognized \$965 of income representing the reversal of progressive slot machine jackpot accruals in accordance with the guidance issued by the FASB. Such amount is included in Casino revenues during the nine months ended September 30, 2011.

During April 2011, certain amendments to the Act became effective, which among other things, allowed a casino licensee to terminate table game progressive payout wagers by providing a minimum of thirty days notice to patrons provided that such game is permanently removed from all of its casino floors. In connection with this amendment, the Company recognized \$90 of income representing the reversal of accruals related to table game progressive payout wagers. Such amount is included in Casino Revenues during the nine months ended September 30, 2011.

NOTE 3 – SALE OF OFF-SITE WAREHOUSE & STEEL PIER

Off-Site Warehouse

On May 8, 2012, Taj Associates completed the sale of its off-site warehouse (the "EHT Property") located in Egg Harbor Township, New Jersey to Schoffer Enterprises, LLC pursuant to the terms of an Agreement of Sale dated as of February 6, 2012.

In accordance with Accounting Standards Codification ("ASC"), Topic 360 - "Property, Plant and Equipment" of the Financial Accounting Standards Board ("FASB"), during the first quarter of 2012, the Company recorded a non-cash asset impairment charge of \$1,100 to record the EHT Property at its fair value less costs to sell. Such amount is reflected in Nonoperating Income in the statements of income for the nine months ended September 30, 2012.

In August 2011, the Company sold the Steel Pier, an Atlantic City landmark of approximately 425,000 square feet located across the Boardwalk from Trump Taj Mahal, to an entity affiliated with the Steel Pier's long-time tenant for a sale price of \$4,250. The tenant operated the amusement park on the Steel Pier under a lease which would have continued in effect until December 31, 2016

In September 2011, the Company sold the "skybridge" which extends over the Boardwalk connecting Trump Taj Mahal to the Steel Pier to the same entity that purchased the Steel Pier

12% Revolving Grid Note

On July 16, 2010, the Company entered into an Amended and Restated Revolving Grid Note (“12% Grid Note”) with TER Holdings. Pursuant to the 12% Grid Note, the Company agreed to repay up to \$250,000 of advances made by TER Holdings, including any accrued unpaid interest on outstanding advances thereon.

Guarantees

Taj Associates, along with Trump Plaza Associates LLC (“Plaza Associates”) and Trump Marina Associates LLC (“Marina Associates”) guarantees TER Holdings’ Amended and Restated Credit Agreement on a joint and several basis. The Amended and Restated Credit Agreement is secured by substantially all of the assets of TER Holdings, Plaza Associates and Taj Associates on a priority basis. At September 30, 2012, TER had outstanding borrowings of \$292,854 under the Amended and Restated Credit Agreement.

NOTE 5 - CITY OF ATLANTIC CITY REAL PROPERTY TAX APPEALS

During June 2012, Taj Associates, Plaza Associates and Marina Associates settled with the City of Atlantic City (the “City”) with respect to their challenges to the real estate tax assessments for each of their casino properties for the tax years 2008 through 2012. Under the global settlement terms, the City agreed to provide Taj Associates with a credit for previously paid real estate taxes in the total amount of \$54,000, to be applied against future real estate tax payments related to Taj Mahal as follows: \$15,000 in 2013; \$9,000 per year in each of 2014, 2015 and 2016; and \$12,000 in 2017. The City has the option to issue a cash refund at any time for the unused portion of the credit. As part of the settlement, the Company agreed to pay real estate taxes for 2012 based upon the City's 2012 assessment. In addition, the City confirmed its intention to assess Trump Taj Mahal Casino Resort at \$1.0 billion for tax year 2013 (a 40% reduction from the 2012 assessment), and the Company agreed not to challenge such 2013 assessment. The settlement terms are set forth in a Settlement Agreement entered into as of June 13, 2012 among Taj Associates, Plaza Associates and Marina Associates (along with Golden Nugget Atlantic City, LLC, which purchased the former Trump Marina Hotel Casino during 2011) and the City (“Settlement Agreement”).

The present value of the global settlement, net of estimated legal fees and other expenses, was approximately \$39,204, of which \$16,759 relates to Taj Associates. This amount was recorded as a reduction to Selling, General and Administrative Expenses. The Company is currently disputing the computation of certain fees incurred related to the appeals.

Pursuant to the Assignment Agreements entered into effective June 19, 2012 between TER Holdings, Marina Associates and Plaza Associates, Marina Associates and Plaza Associates transferred and assigned all of each of its rights, title and interest in all of each of its rights and benefits under the Settlement Agreement, specifically each of its allocated portion of the Refund/Credit (as defined in the Settlement Agreement), net of related legal fees, to TER Holdings. The consideration for such assignment was the reduction of Marina Associates' and Plaza Associates' Revolving Grid Notes in the amount of \$8,330 and \$14,115, respectively, the estimated present value of Marina Associates' and Plaza Associates' allocable portion of the Refund/Credit, net of related legal fees.

Property taxes reflected on the statements of income for the three and nine months ended September 30, 2012 include the effect of an 11.1% increase in the City's 2012 property tax rate, which is retroactive to January 1, 2012.

On October 17, 2012, the City and Taj Associates, Plaza Associates and Marina Associates (collectively "Trump Casinos") entered into an Amendment to the Settlement Agreement whereby the City agreed that, if a planned offering by the City of its tax appeal refunding bonds is successfully consummated, the City will, as permitted by the Settlement Agreement, pay to TER Holdings, from the proceeds of the offering, the amount of \$50,500 in cash within five days of the City's receipt of the proceeds, in lieu of the five-year credit provided for in the Settlement Agreement. TER Holdings has agreed to accept such payment in full satisfaction of amounts due under the Settlement Agreement. Although the City has agreed to diligently and in good faith seek to consummate this bond offering, and has advised the Trump Casinos that the offering is expected to occur during the fourth quarter of 2012, completion of the offering is subject to conditions beyond the control of the City and there can be no assurance as to the timing of the offering or whether it will actually be consummated. Accordingly, there can be no assurance that TER Holdings will receive this cash refund from the City.

NOTE 6 – INCOME RELATED TO UTILITY AGREEMENTS

On February 27, 2012, the Company entered into various agreements with one of its utility providers. In consideration for entering into the agreements, the Company received \$1,090 in cash and will receive rate reduction credits totaling approximately \$1,960 which are being applied against invoices for services provided in equal monthly increments of \$35 through October 2016. The Company recognized \$2,649 of income, net of related expenses, in connection with entering into these agreements. Such amount is reflected in Nonoperating Income in the statements of income during the nine months ended September 30, 2012.

NOTE 7 - INCOME TAXES

Federal Income Taxes

The accompanying financial statements do not include a provision for federal income taxes since the Company is a division of TER Holdings, which is taxed as a partnership for federal income tax purposes. Therefore, the Company's income and losses are allocated and reported for federal income tax purposes by TER Holdings' partners.

State Income Taxes

Under the New Jersey Casino Control Act, the Company is required to file New Jersey corporation business tax returns.

There was no state income tax provision during the three and nine months ended September 30, 2012 and 2011.

At September 30, 2012, the Company had unrecognized tax benefits of \$965, including interest. In accordance with Topic 805 –“Business Combinations” of the Financial Accounting Standards Board Accounting Standards Codification (“ASC”), none of the Company’s unrecognized tax benefits would affect its effective tax rate, if recognized. During the second quarter of 2012, \$701 of the Company’s unrecognized tax benefits at December 31, 2011 were settled as discussed below.

The Company recognizes interest accrued related to unrecognized tax benefits in interest expense and penalties as a component of income tax expense. The Company did not recognize any interest associated with uncertain tax positions during the three and nine months ended September 30, 2012. The Company recognized interest associated with uncertain tax positions of \$338 and \$1,001 during the three and nine months ended September 30, 2011, respectively.

Federal and State Income Tax Audits

Tax years 2008 through 2011 remain subject to examination by federal and state tax authorities.

From 2002 through 2006, state income taxes for TER’s New Jersey operations were computed under the alternative minimum assessment method. During December 2011, the Company entered into a Stipulation and Consent Order (the “Stipulation”) with the State of New Jersey, Department of Treasury and Division of Taxation (the “Division”, and together with the Company, the “Parties”), settling certain claims for unpaid taxes that were asserted by the Division in the Chapter 11 bankruptcy proceedings commenced by the Company in 2004 and the Chapter 11 Case. The Stipulation was approved by order of the Bankruptcy Court and became final and non-appealable on December 19, 2011 (the “Effective Date”).

Under the terms of the Stipulation, the Parties agreed to resolve any and all claims of the Division against the Company relating to New Jersey Corporation Business Tax for periods prior to the 2009 bankruptcy (including the Division's claim for unpaid taxes relating to the years 2002 through 2006 under the alternative minimum assessment method (“AMA”) of determining tax liability). On the Effective Date, pursuant to the Stipulation, the claim asserted by the Division in the Company's 2009 bankruptcy proceedings was reduced to \$2,201 (the “Settlement Payment”) and was deemed to be an allowed priority tax claim, as defined in the Plan of Reorganization, in the amount of \$2,201.

Pursuant to the Stipulation, in December 2011, the Company paid the first installment of the Settlement Payment, totaling \$1,500, to the Division. The second and final installment payment of \$701 was paid by the Company to the Division on April 30, 2012.

Chapter 11 Case Implications

Pursuant to the Plan of Reorganization, on the Consummation Date, TER Holdings realized cancellation of indebtedness income, and as a result, was required to reduce certain tax attributes such as net operating loss carryforwards (“NOLs”) and the tax basis of its assets. Effective January 1, 2011, TER fully reduced its federal NOLs and credit carryforwards generated prior to 2011 as a result of the realized cancellation of indebtedness income pursuant to the applicable provisions of the Internal Revenue Code (the “Code”). The reduction of tax attributes and the application of Section 382 of the Code, as a result of the ownership change occurring on the Consummation Date, could result in increased future tax liabilities for TER Holdings’ partners. TER Holdings is also reviewing the technical merits of a potential tax reporting position as a result of the Plan of Reorganization and related transactions that may result in a substantial additional step-up in the tax basis of its assets. The additional tax basis step-up in its assets resulting from this tax reporting position, if any, would be subject to the application of Section 382 of the Code as a result of the ownership change which occurred on the Consummation Date. Any increased deferred tax assets, if any, from this tax reporting position would be offset by a full valuation allowance for financial statement purposes.

NOTE 10 - COMMITMENTS & CONTINGENCIES

Casino License Resubmission

The Company is subject to regulation and licensing by the CCC and the DGE. The Company's casino license must be renewed periodically, is not transferable, is dependent upon the financial stability of the Company and can be revoked at any time. Due to the uncertainty of any license renewal application, there can be no assurance that the license will be renewed.

In June 2007, the CCC renewed the Company's license to operate the Taj Mahal through June 2012. The Company and certain individuals have resubmitted the required documentation supporting a renewal of their qualification and licensure and are authorized to continue to operate while the DGE performs its investigations. Upon revocation, suspension for more than 120 days, or failure to renew the casino license, the Casino Control Act provides for the mandatory appointment of a conservator to take possession of the hotel and casino's business and property, subject to all valid liens, claims and encumbrances.

Legal Proceedings

Taj Associates and certain of its employees are involved from time to time in various legal proceedings incidental to the Company's business. While any proceeding or litigation contains an element of uncertainty, management believes that the final outcomes of these matters are not likely to have a material adverse effect on the Company's results of operations or financial condition. In general, the Company has agreed to indemnify such persons, and its directors, against any and all losses, claims, damages, expenses (including reasonable costs, disbursements and counsel fees) and liabilities (including amounts paid or incurred in satisfaction of settlements, judgments, fines and penalties) incurred by them in said legal proceedings absent a showing of such persons' gross negligence or malfeasance.

Estate of Martin Caballero Lawsuit

On May 18, 2012, a lawsuit was filed by the estate and certain family members of Martin Caballero against TER and certain of its affiliates, including Taj Associates, in the Superior Court of New Jersey, Hudson County, Law Division (Docket No L-2553-12). The lawsuit alleges, among other things, negligence by TER and certain of its affiliates, including Taj Associates, in connection with the May 21, 2010 kidnapping of Mr. Caballero by two assailants on the grounds of the Company's parking garage, and Mr. Caballero's subsequent murder. The lawsuit seeks unspecified damages with respect to such claim. The Company intends to vigorously defend such case and has contacted its liability insurance carrier regarding any losses incurred in connection with this lawsuit. This matter is currently in the early stages of litigation.

Chapter 11 Case

As described in Note 1, on the Petition Date, the Debtors filed voluntary petitions in the Bankruptcy Court seeking relief under the Bankruptcy Code. These chapter 11 cases were jointly administered under the caption *In re: TCI 2 Holdings, LLC, et al Debtors, Chapter 11 Case Nos.: 09-13654 through 09-13656 and 09-13658 through 09-13664 (JHW)* (the "Chapter 11 Case").

On May 7, 2010, the Bankruptcy Court entered the Confirmation Order confirming the Supplemental Modified Sixth Amended Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code Proposed by the Debtors and the Ad Hoc Committee of Holders of 8.5% Senior Secured Notes Due 2015, as filed with the Bankruptcy Court, in final form, on May 7, 2010.

On July 16, 2010, the Plan of Reorganization became effective and the transactions contemplated by the Plan of Reorganization were consummated.

On January 10, 2012, the Bankruptcy Court issued its final decree and order closing the Chapter 11 Case.

Notwithstanding the entry of the final decree and order closing the Chapter 11 Case, the Bankruptcy Court has retained jurisdiction to determine the allowance of the claims filed against the Company. Interim distributions have been made in 2012 to holders of certain allowed Class 5 and Class 7 Claims as defined in the Plan of Reorganization. A number of disputed claims have yet to be resolved. If and when these claims are allowed, the claimants will receive distributions pursuant to the Plan of Reorganization.

Casino Reinvestment Development Authority Obligations

As required by the provisions of the New Jersey Casino Control Act, a casino licensee must pay an investment alternative tax of 2.5% of its gross casino revenues as defined in the New Jersey Casino Control Act. However, pursuant to a contract with the Casino Reinvestment Development Authority (“CRDA”), the Company pays 1.25% of its gross casino revenues to the CRDA (the “CRDA Payment”) to fund qualified investments as defined in the Casino Control Act and such CRDA Payment entitles the Company to an investment tax credit in an amount equal to twice the amount of the CRDA Payment against the 2.5% investment alternative tax. Qualified investments may include the purchase of bonds issued by the CRDA at a below market rate of interest, direct investment in projects or donation of funds to projects as determined by the CRDA. According to the Act, funds on deposit with the CRDA are invested by the CRDA and the resulting interest income is shared two-thirds to the casino and one-third to the CRDA. Further, the Act requires that CRDA bonds be issued at statutory rates established at two-thirds of the average rate of the Bond Buyer Weekly 25 Revenue Bond Index for bonds available for purchase during the last 26 weeks preceding the date the CRDA issues its bond. The Company records charges to expense equal to one-third of its obligation to reflect the lower return on investment at the date the obligation arises. Pursuant to the contract with the CRDA, the Company is required to make quarterly deposits with the CRDA to satisfy its investment obligations. We recognized expense of \$995 and \$1,112 during the nine months ended September 30, 2012 and 2011, respectively, to give effect to the below market interest rates associated with CRDA deposits and bonds.

NJSEA Subsidy Agreement

In August 2008, the casinos located in Atlantic City (the “Casinos”) entered into a Purse Enhancement Agreement (the “2008 Subsidy Agreement”) with the NJSEA and the CRDA in the interest of further deferring or preventing the proliferation of competitive gaming at New Jersey racing tracks through December 31, 2011. In addition to the continued prohibition of casino gaming in New Jersey outside of Atlantic City, legislation was enacted to provide for the deduction of certain promotional gaming credits from the calculation of the tax on casino gross revenue.

Under the terms of the 2008 Subsidy Agreement, the Casinos were required to make scheduled payments to the NJSEA totaling \$90,000 which was to be used for certain authorized purposes (the “Authorized Uses”) as defined by the 2008 Subsidy Agreement. In the event any of the \$90,000 was not used by the NJSEA for the Authorized Uses by January 1, 2012, the unused funds would be returned by the NJSEA to the Casinos on a pro rata basis based upon the share each casino contributed. For each year, each casino's share of the scheduled payments equated to the percentage representing its gross gaming revenue for the prior calendar year compared to the gross gaming revenues for that period for all Casinos. Each casino, solely and individually, was responsible for its respective share of the scheduled amounts due. In the event that any casino failed to make its payment as required, the remaining Casinos had the right, but not the obligation, to cure a payment delinquency.

Pursuant to the Asset Purchase Agreement, as described in Note 8, all promotional gaming credits attributable or related to Marina Associates are to be maintained by Marina Associates or its affiliates. Subsequent to the sale date, Marina Associates transferred its rights to future promotional gaming credits and the associated benefits of such credits to the Company. In connection with this transfer, the Company

began to deduct the promotional gaming credits applicable to Marina Associates from the calculation of the tax on casino gross revenue.

The Company expensed its share of the \$90,000, approximately \$9,752, based on its actual market share of gross gaming revenue, on a straight-line basis over the term of the 2008 Subsidy Agreement. The Company recorded expense of \$1,158 and \$2,892 (of which \$331 and \$442 was related to Marina Associates) during the three and nine months ended September 30, 2011.

Atlantic City Tourism District

In February 2011, as part of the State of New Jersey's plan to revitalize Atlantic City's casino and tourism industries, a law was enacted requiring the creation of a tourism district (the "Tourism District") to be administered and managed by the CRDA. The Tourism District includes each of the Atlantic City casino properties, along with certain other tourism related areas of Atlantic City. The law requires, among other things, the creation of a public-private partnership between the CRDA and a private entity that represents existing and future casino licensees. The private entity, known as The Atlantic City Alliance (the "ACA"), was established in the form of a not-for-profit corporation, of which the Company is a member. The public-private partnership established between the ACA and the CRDA is for an initial term of five years. Its general purpose is to revitalize and market the Tourism District. The law requires that a \$5,000 contribution be made to this effort by all casinos prior to 2012, followed by an annual amount of \$30,000 to be contributed by the casinos commencing January 1, 2012 for a term of five years. Each casino's portion of the annual contributions will equate to the percentage representing its gross gaming revenue for the prior calendar year compared to the aggregate gross gaming revenues for that period for all casinos. During the three and nine months ended September 30, 2012, we recognized \$736 and \$2,208 of expense related to our portion of the \$30,000 contribution to be made during 2012. During the three and nine months ended September 30, 2011, we recognized \$141 and \$423 of expense related to our portion of the \$5,000 contribution made prior to 2012.

Boardwalk Revitalization Project

During 2004, the Boardwalk Revitalization Fund was established by the CRDA to fund eligible boardwalk revitalization projects. The Boardwalk Revitalization Fund may be funded by a portion of the proceeds of the issuance and sale of certain Parking Fee Revenue Bonds and Atlantic City Fund Investment Alternative Tax Obligations.

During November 2011, the CRDA approved the Company's application for the restoration of its building façade and other elements along its Boardwalk level, its three connecting grand staircases and its open-air second level promenade for its entire frontage along the Atlantic City Boardwalk (the "Boardwalk Façade Project") and approved a fund reservation in the amount of \$6,859 from such funds to be appropriated from the Company's and Plaza Associates' remaining designated share of the Boardwalk Revitalization Fund.

A Project Grant Agreement dated as of March 30, 2012 was entered into by and between the CRDA and Taj Associates and Plaza Associates (the "Project Grant Agreement"). Pursuant to the Project Grant Agreement, the amount available from the Boardwalk Revitalization Fund to fund the Boardwalk Façade Project shall not exceed \$6,859 and excess amounts necessary to complete the Boardwalk Façade Project, if any, shall be borne by the Company. Construction on the Boardwalk Façade Project commenced during the second quarter of 2012 and is expected to be completed during the fourth quarter of 2012.

NOTE 11 – FAIR VALUE MEASUREMENTS

ASC Topic 820 – “Fair Value Measurements and Disclosures” (“ASC 820”) establishes a hierarchy that prioritizes fair value measurements based on the types of inputs used for the various valuation techniques (market approach, income approach and cost approach). The levels of the hierarchy are described below:

- Level 1: Observable inputs such as quoted prices in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly; these include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in markets that are not active.
- Level 3: Unobservable inputs that reflect the reporting entity’s own assumptions.

Balances Measured at Fair Value

| | September 30, 2012 | | | | September 30, 2011 | | | |
|-------------------------|--------------------|---------|-----------|---------|--------------------|---------|-----------|---------|
| | Balance | Level 1 | Level 2 | Level 3 | Balance | Level 1 | Level 2 | Level 3 |
| CRDA investments, net\$ | 22,115 | | \$ 22,115 | | \$ 19,505 | | \$ 19,505 | |

The fair value measurements relating to our CRDA bonds and deposits were determined using inputs within Level 2 of ASC 820’s hierarchy. CRDA assets are discussed in Note 10.

Balances Disclosed at Fair Value

The carrying amounts of financial instruments included in current assets and current liabilities approximate their fair values due to their short-term nature. The carrying amounts of CRDA investments approximate their fair value as a result of allowances established to give effect to below-market interest rates.

The estimated fair values of other financial instruments are as follows:

| | September 30, 2012 | | | |
|-------------------------|--------------------|----------------|----------------------|----------------------|
| | Amount Outstanding | Carrying Value | Estimated Fair Value | Fair Value Hierarchy |
| 12% Revolving Grid Note | \$ 223,556 | \$ 223,556 | \$ 223,556 | Level 2 |

NOTE 12 – 2011 EVACUATION AND CLOSURE OF FACILITIES

In connection with a mandate from the State of New Jersey to evacuate southern New Jersey's barrier islands due to anticipated severe weather and flooding, Atlantic City's casinos closed on August 26, 2011 and reopened on August 29, 2011. Trump Taj Mahal sustained only minor physical damage. The Company believes that its operations were negatively affected before, during and after the shutdown.

NOTE 13 – SUBSEQUENT EVENT

As a result of recent events, including but not limited to the order to temporarily close Atlantic City's twelve casinos and significant damage sustained within the Company's feeder markets, the Company's results of operations have been, and continue to be, negatively impacted. We are currently unable to estimate the financial effect these events will have on our operations.
