1. Basis of Presentation

The accompanying financial statements have been prepared in accordance with the rules and regulation of the New Jersey Division of Gaming Enforcement and include the accounts of Resorts Digital Gaming, LLC (the "Company"), a New Jersey limited liability company that was formed on June 27, 2014. The Company is owned 100% by DGMB Casino Holding, LLC ("Holding"), a Delaware limited liability company, through a 99.5% direct ownership and a 0.5% indirect ownership through DGMB Casino SPE Corp. ("SPE"), a Delaware corporation, which is the managing member of the Company. MGA Gaming NJ, LLC (MGA), a New Jersey limited liability company, is a non-managing member of Holding and 10% owner.

The Company holds a casino license issued by the State of New Jersey Casino Control Commission ("Commission") and, as an Internet Gaming Affiliate of DGMB Casino, LLC ("Resorts"), has been authorized by the State of New Jersey Division of Gaming Enforcement ("DGE") to operate real money online gaming in New Jersey under the Internet Gaming Permit (NJIGP-13-008) issued to Resorts. Resorts operates Resorts Casino Hotel located in Atlantic City, NJ.

The Company has agreements with two providers of online gaming platforms who advanced funds for future revenues. Those advances were transferred to a related party and, as discussed below in Note 5, are included in the equity section of the balance sheet.

The Company operates the ResortsCasino.Com and MoheganSunCasino.Com websites which were approved by the DGE to offer legal online gaming in 2015. In addition PokerStarsNJ.Com, operating under the Company's internet gaming permit, was approved by the DGE to offer legal online gaming in March 2016.

2. Management's Plans Related to Liquidity and Capital Needs

The New Jersey real money online gaming market, with \$245 million in annual revenues, has completed its fourth full year of operations and has recorded revenue growth of 25% and 32% in 2017 and 2016, respectively. Many states are now contemplating offering legal online gaming as the industry marches towards recognition and acceptance in the United States.

The Company's alliance with PokerStars completed its first full year of operations in 2017 and has led the peer to peer poker market.

3. Summary of Significant Accounting Policies

Cash and Cash Equivalents

Cash and cash equivalents include cash on account and cash on hand. Amounts held in financial institutions are in excess of FDIC insurance limits.

Pursuant to NJAC 13:69O-1.3(j), a unique New Jersey bank account is maintained to segregate internet gaming patron's funds on deposit, pending withdraws and active bets. The balance in this account at December 31, 2017 is \$4.8 million. Unrestricted cash balance at December 31, 2017 is \$3.1 million.

Receivables

Receivables consist of amounts due from patrons and third party processors and online gaming platforms. As of December 31 there is \$1.1 million of which \$875,000 is due from online gaming platform providers. Accounts receivables are non-interest bearing and are initially recorded at cost.

Allowance for Doubtful Accounts

The Company reserves an estimated amount for receivables that may not be collected. The methodology for estimating the allowance includes using specific reserves and applying various percentages to aged receivables. Historical collection rates are considered, as are customer relationships, in determining specific allowances. As with many estimates, management must make judgments about potential actions by third parties in establishing and evaluating the allowance for doubtful accounts.

Deferred Revenue

Deferred revenue consists of amounts advanced from a third party and will be recognized in future periods as a component of online gaming revenue.

Revenue Recognition

Online real money gaming revenues are measured by the aggregate net difference between gaming wins and losses. Jackpots are recognized at the time they are won by customers.

Loyalty Program

The Company customer loyalty program offers incentives to customers. Under the program, customers are able to accumulate points over time that they may redeem at their discretion under the terms of the program. Also under the terms of the program the points may expire under certain conditions. The points are recognized when issued and are recorded as a promotional allowance in the statements of income.

Gaming Tax

The Company remits monthly to the State of New Jersey a tax equal to 15% of gross internet gaming revenue, as defined. Gaming tax expense for the twelve months ended December 31, 2017 and 2016 were \$4.5 million and \$2.9 million, respectively. Gaming tax is included in casino expenses in the accompanying statements of income.

Income Taxes

The Company is treated as a partnership for federal income tax purposes; therefore, federal income taxes are the responsibility of Holding and SPE. In New Jersey, casino partnerships are subject to state income taxes under the Casino Control Act; therefore, the Company is required to record a provision for New Jersey state income taxes.

Deferred tax assets and liabilities represent the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of a change in existing tax rates is recognized as an increase or decrease to the tax provision in the period that includes the enactment date. The Company recognizes interest and penalties accrued related to unrecognized tax benefits in the provision for income taxes.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States ("GAAP") requires that the Company make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

4. Receivables

Components of receivables were as follows at December 31, (in thousands):

| | _ | 2017 | 2016 |
|------------------|----|-------|-----------|
| Gaming Related | \$ | 530 | \$ 277 |
| Less reserve | | (492) | (222) |
| Other Receivable | | 1,085 | 359 |
| Receivables, net | \$ | 1,123 | \$ 414 |

5. Related Party Transactions

Resorts, which is also owned 100% by Holding through a 99.5% direct ownership and a 0.5% indirect ownership SPE, provides the Company with administrative services such as payroll, accounting, risk management, legal, treasury, and information systems in return for a fee pursuant to the Shared Services Agreement. This fee was \$735,000 and \$575,000 in 2017 and 2016, respectively, and is included in general, administrative and other in the accompanying statements of operations.

Agreements with TSG Interactive US Services Limited (formerly Rational Services Limited) ("Rational") and NYX Digital Gaming (USA), LLC (formerly Sportech-NYX Gaming, LLC) ("NYX") and Resorts, which is an "Affiliated Company" as that term is defined in each of the agreements, were assigned to the Company and the Company has executed all documents required to effectuate the assignments. The assignments resulted in the recording of deferred revenue and a non interest bearing note by the Company. The deferred revenue, which resulted from a cash advance, will be earned and recognized as revenue, based upon various events and conditions, over the next ten years. No additional advances are anticipated in the near future.

These funds were transferred by the Company to an affiliate and are unsecured and do not have specified repayment provisions. Holding entered into the First Amendment to the Second Amended and Restated Limited Liability Company Agreement which, among other things, converted receivable and related interest to a class of equity referred to as special capital contributions. This agreement was executed in December, 2017 with an effective date of January 1, 2017 and is reflected in the accompanying financial statements.

6. Casino Reinvestment Development Authority

The New Jersey Casino Control Act provides, among other things, for an assessment of licensee equal to 2.5% of the Company's gross internet gaming revenues in lieu of an investment alternative tax equal to 5.0% of gross gaming revenues. The Company may satisfy this investment obligation by investing in qualified eligible direct investments, by making qualified contributions or by depositing funds with the Casino Reinvestments Development Authority ("CRDA"). Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, direct investments in approved CRDA projects may be donated to the CRDA. CRDA bonds have terms up to 50 years and bear interest at below-market rate.

On May 27, 2016, the New Jersey legislature enacted Senate Bill S1715 which implements a Payment in Lieu of Taxes Program (the "PILOT"). Beginning January 1, 2017, casino property owners will fulfill their financial obligations to all local governments serving Atlantic City thereby exempting casino gaming properties from ad valorem property taxation by the City of Atlantic City. The PILOT will have an impact on, among other things, the disposition of future CRDA payments by reallocating the majority of casino investment alternative tax ("IAT") receipts collected by the CRDA to Atlantic City for the purpose of paying debt service on municipal bonds issued prior to the effective date of the bill until December 31, 2026. IAT revenues previously pledged for the payment of bonds issued by the CRDA, or any bonds issued to refund those bonds, or otherwise contractually obligated by the CRDA prior to the effective date of the bill, are excluded from the reallocation.

To date no bonds have been purchased by the Company and the current CRDA funds on deposit are being used to fund the previously pledged grant to an affiliate or the PILOT program.
