NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND DESCRIPTION OF BUSINESS

The accompanying financial statements have been prepared in accordance with the rules and regulations of the New Jersey Division of Gaming Enforcement (“DGE”) and include the accounts of Resorts Digital Gaming, LLC (the “Company”), a New Jersey limited liability company that was formed on June 27, 2014. The Company is owned 100% by DGMB Casino Holding, LLC (“Holding”), a Delaware limited liability company, through a 99.5% direct ownership and a 0.5 % indirect ownership through DGMB Casino SPE Corp. (“SPE”), a Delaware corporation, which is the managing member of the Company. MGA Gaming NJ, LLC (MGA), a New Jersey limited liability company, is a non-managing member of Holding and 10% owner.

The Company holds a casino license issued on August 12, 2015 by the State of New Jersey Casino Control Commission (“Commission”) and, as an Internet Gaming Affiliate of DGMB Casino, LLC (“Resorts”), has been authorized by the DGE to operate real money online gaming in New Jersey under the Internet Gaming Permit (NJIGP-18-008) issued to Resorts. Resorts operates Resorts Casino Hotel located in Atlantic City, NJ.

The Company has agreements with certain providers of online gaming platforms who advanced funds for future revenues. Those advances were transferred to a related party and, as discussed below in Note 4, are included in the equity section of the balance sheet.

The Company operates the ResortsCasino.com, MoheganSunCasino.com and PokerStarsNJ.com websites, which were approved by the DGE. In 2018, legalized sports betting was approved in New Jersey. On May 21, 2018, the Company entered into an online gaming agreement with Crown NJ Gaming, Inc., a Delaware corporation, d/b/a DraftKings (“DraftKings”) whereby the Company licensed DraftKings to operate (i) an online casino website (with the exception of poker) utilizing the Company’s Internet Gaming Permit and (ii) an online sports betting website utilizing the Company’s Sports Wagering License. In addition, PokerStarsNJ.com and ResortsCasino.com offer sports betting.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The preparation of the financial statements in conformity with accounting principles generally accepted in the United States (“GAAP”) requires that the Company make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

Cash and Cash Equivalents- Cash and cash equivalents include cash on account and cash on hand. Amounts held in financial institutions are in excess of FDIC insurance limits.

Pursuant to NJAC 13:69O-1.3(k), a unique New Jersey bank account is maintained to segregate internet gaming patron’s funds on deposit, pending withdraws, and active bets. The balance in this account at September 30, 2019 and 2018 was \$29,774 and \$12,634, respectively. Unrestricted cash balance at September 30, 2019 and 2018 was \$4,958 and \$3,150, respectively.

Receivables - Receivables consist of amounts due from patrons and third party processors and online gaming platforms. As of September 30, 2019, and 2018, there was \$4,713 and \$1,763, respectively, due from gaming platform providers. Accounts receivables are non-interest bearing and are initially recorded at cost.

Allowance for Doubtful Accounts - The Company reserves an estimated amount for receivables that may not be collected. The methodology for estimating the allowance includes using specific reserves and applying various percentages to aged receivables. Historical collection rates are considered, as are customer relationships, in determining specific allowances. As with many estimates, management must make judgments about potential actions by third parties in establishing and evaluating the allowance for doubtful accounts.

RESORTS DIGITAL GAMING, LLC
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(\$ in Thousands)

Deferred Revenue - Deferred revenue consists of amounts advanced from a third party and will be recognized in future periods as a component of gaming revenue.

Revenue Recognition - Online real money gaming revenues are measured by the aggregate net difference between gaming wins and losses. Jackpots are recognized at the time they are won by customers.

Loyalty Program - The Company's customer loyalty program offers incentives to customers. Under the program, customers are able to accumulate points over time that they may redeem at their discretion under the terms of the program. The liability is included in accrued expenses and other current liabilities and was \$91 and \$22 at September 30, 2019 and 2018, respectively. The points expire if the customer does not earn points over a specified period from the date they were first earned. The points are recognized when issued and are recognized as a reduction in revenue on the statements of operations.

Gaming Tax - The Company remits monthly to the State of New Jersey a tax equal to 15% of gross internet gaming revenue and a tax equal to 13% of gross internet sports wagering revenue, as defined. Gaming tax expense was \$4,083 and \$3,921 for the nine months ended September 30, 2019 and 2018, respectively. Gaming tax is included in casino expenses in the accompanying statements of income.

Income Taxes - The Company is treated as a partnership for federal income tax purposes; therefore, federal income taxes are the responsibility of Holding and SPE. In New Jersey, casino partnerships are subject to state income taxes under the Casino Control Act; therefore, the Company is required to record a provision for New Jersey state income taxes.

Deferred tax assets and liabilities represent the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of a change in existing tax rates is recognized as an increase or decrease to the tax provision in the period that includes the enactment date. The Company recognizes interest and penalties accrued related to unrecognized tax benefits in the provision for income taxes.

The Company recognizes deferred tax assets to the extent that the Company believes that these assets are more likely than not to be realized. In making such a determination, the Company considers all available positive and negative evidence, including future reversals of existing taxable temporary differences, projected future taxable income, tax-planning strategies, and results of recent operations. If the Company determines that it would be able to realize net deferred tax assets in the future in excess of their recorded amount, an adjustment to the deferred tax asset valuation allowance would be made, which would reduce the provision for income taxes.

The Company records uncertain tax positions in accordance with ASC 740 - *Income Taxes* on the basis of a two-step process in which (1) determine whether it is more likely than not that the tax positions will be sustained on the basis of the technical merits of the position and (2) for those tax positions that meet the more-likely-than-not recognition threshold, recognize the largest amount of tax benefit that is more than 50 percent likely to be realized upon ultimate settlement with the related tax authority. Generally, the statute of limitations for examination of the Company's tax returns is open for years ended December 31, 2015 through the current year.

Omitted Disclosures - In accordance with the DGE Financial Reporting guidelines the Company has elected not to include certain disclosures that were made in the December 31, 2018 report. Accordingly, the following disclosures have been omitted: certain Income Tax disclosures and Leases.

NOTE 3 - RECEIVABLES AND PATRONS' CHECKS

Receivables and patrons' checks as of September 30 consisted of the following:

	<u>2019</u>	<u>2018</u>
Gaming Related	\$ 835	\$ 644
Less reserve	(804)	(608)
Third Party Receivable	4,834	1,763

NOTE 4 – RELATED PARTY TRANSACTIONS

Resorts provides the Company with administrative services such as payroll, accounting, risk management, legal, treasury, and information systems in return for a fee pursuant to the Shared Services Agreement. This fee was \$589 and \$576 for the nine months ended September 30, 2019 and 2018, respectively, and is included in general, administrative and other in the accompanying statements of operations. The Company owed an affiliate, DGMB Casino, LLC, \$7,447 and \$8,497 as of September 30, 2019 and 2018, respectively, and is recorded as other liabilities on the accompanying balance sheets.

During 2015, agreements with TSG Interactive US Services Limited (formerly Rational Services Limited) (“Rational”) and NYX Digital Gaming (USA), LLC (formerly Sportech-NYX Gaming, LLC) (“NYX”) and Resorts, which is an “Affiliated Company” as that term is defined in each of the agreements, were assigned to the Company. Between 2013 and 2015, the Company received cash advances, which will be earned and recognized as revenue, based upon various events and conditions, over the next ten years.

Between 2013 and 2015, the Company transferred the aforementioned advances to an affiliate and were recorded as due from affiliates as of December 31, 2016, on the accompanying Statement of Changes in Members' Deficit. Effective January 1, 2017, Holding entered into the First Amendment to the Second Amended and Restated Limited Liability Company Agreement, which, among other things, converted the balance due from affiliate to a class of equity referred to as special capital distribution.

NOTE 5 – CASINO REINVESTMENT DEVELOPMENT AUTHORITY

The New Jersey Casino Control Act provides, among other things, for an assessment of licensee equal to 2.5% of the Company's gross internet gaming revenues in lieu of an investment alternative tax equal to 5.0% of gross gaming revenues. The Company may satisfy this investment obligation by investing in qualified eligible direct investments, by making qualified contributions or by depositing funds with the Casino Reinvestments Development Authority (“CRDA”). Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, direct investments in approved CRDA projects may be donated to the CRDA. CRDA bonds have terms up to 50 years and bear interest at below-market rate.

On May 27, 2016, the New Jersey legislature enacted Senate Bill S1715, which implemented a Payment in Lieu of Taxes Program (the “PILOT”). Commencing in 2017 and for a period of ten (10) years, each Atlantic City casino property owner would fulfill their financial obligations to all local governments serving Atlantic City thereby exempting casino gaming properties from ad valorem property taxation by the City of Atlantic City. The PILOT has an impact on, among other things, the disposition of future CRDA payments by reallocating the majority of casino investment alternative tax (“IAT”) receipts collected by the CRDA to Atlantic City for the purpose of paying debt service on municipal bonds issued prior to the effective date of the bill until December 31, 2026. IAT revenues previously pledged for the payment of bonds issued by the CRDA, or any bonds issued to refund those bonds, or otherwise contractually obligated by the CRDA prior to the effective date of the bill, are excluded from the reallocation.

To date no bonds have been purchased by the Company and the current CRDA funds on deposit are being used to fund the previously pledged grant to an affiliate or the PILOT program.

NOTE 6 – OTHER CURRENT LIABILITES

	<u>2019</u>	<u>2018</u>
Patron Deposits	\$ 29,714	\$ 12,067
Other	958	1,296
	<u>\$ 30,672</u>	<u>\$ 13,363</u>

NOTE 7 – COMMITMENTS AND CONTINGENCIES

Litigation - There can be various claims and legal actions arising in the ordinary course of business, which can be categorized as routine business litigation, such as, without limitation, negligence, workers compensation, and employment claims. In the opinion of management, these matters would not have a material effect on the Company’s financial position or results of operations.

Commitments - The Company has an agreement with Rational to provide the operation of and marketing strategy for online gaming in New Jersey for peer to peer poker and casino games. As discussed in Note 4, Rational has made advance payments that are recorded as deferred credits on the accompanying balance sheets.

The Company has an agreement with NYX to serve as its platform provider and casino games content developer for the ResortsCasino.com and MoheganSunCasino.com online gaming sites. In September 2017, the agreement was modified to, among other things, settled a non-interest bearing note, accelerated certain guarantees, and increased future operational costs.

The Company has an agreement with DraftKings to operate (i) an online casino website utilizing the Company’s Internet Gaming Permit and (ii) an online sports betting website utilizing the Company’s Sports Wagering License.

NOTE 8 – SUBSEQUENT EVENTS

The Company completed its subsequent events review through November 15, 2019, the date on which the financial statements were available to be issued. No subsequent events have been identified that are required to be accounted for or disclosed in the financial statements.
