NOTES TO FINANCIAL STATEMENTS
(Unaudited)

NOTE 1 - ORGANIZATION AND DESCRIPTION OF BUSINESS

The accompanying financial statements have been prepared in accordance with the rules and regulations of the New Jersey Division of Gaming Enforcement (“DGE”) and include the accounts of Resorts Digital Gaming, LLC (the “Company”), a New Jersey limited liability company that was formed on June 27, 2014. The Company is owned 100% by DGMB Casino Holding, LLC (“Holding”), a Delaware limited liability company, through a 99.5% direct ownership and a 0.5 % indirect ownership through DGMB Casino SPE Corp. (“SPE”), a Delaware corporation, which is the managing member of the Company. MGA Gaming NJ, LLC (MGA), a New Jersey limited liability company, is a non-managing member of Holding and 10% owner.

The Company holds a casino license issued on August 12, 2015 by the State of New Jersey Casino Control Commission (“Commission”) and, as an Internet Gaming Affiliate of DGMB Casino, LLC (“Resorts”), has been authorized by the DGE to operate real money online gaming in New Jersey under the Internet Gaming Permit (NJIGP-18-008) issued to Resorts. Resorts operates Resorts Casino Hotel located in Atlantic City, NJ.

The Company has agreements with certain providers of online gaming platforms who advanced funds for future revenues. Those advances were transferred to a related party and as discussed below in Note 4, are included in the equity section of the balance sheet.

The Company operates the ResortsCasino.com, MoheganSunCasino.com and PokerStarsNJ.com websites, which were approved by the DGE. In 2018, legalized sports betting was approved in New Jersey. On May 21, 2018, the Company entered into an online gaming agreement with Crown NJ Gaming, Inc., a Delaware corporation, d/b/a DraftKings (“DraftKings”) whereby the Company licensed DraftKings to operate (i) an online casino website (with the exception of poker) utilizing the Company’s Internet Gaming Permit and (ii) an online sports betting website utilizing the Company’s Sports Wagering License. In addition, PokerStarsNJ.com and ResortsCasino.com offer sports betting. The agreement with DraftKings was amended with an effective date of January 1, 2021, which among other things, extended the term of the agreement through December 31, 2036.

The Company entered into an agreement with Keybank National Association to be a co-borrower of debt with Resorts on March 11, 2021. The Company has not recorded any debt relating to this agreement on the financial statements as Resorts has agreed to pay the debt and the Company does not expect to pay any portion of the debt.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The preparation of the financial statements in conformity with accounting principles generally accepted in the United States (“GAAP”) requires that the Company make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

Cash and Cash Equivalents- Cash and cash equivalents include cash on account and cash on hand. Amounts held in financial institutions are in excess of FDIC insurance limits.

Pursuant to NJAC 13:69O-1.3(k), a unique New Jersey bank account is maintained to segregate internet gaming patron’s funds on deposit, pending withdraws, and active bets. The balance in this account at March 31, 2021 and 2020 was \$58.9 million and \$29.2 million, respectively. Unrestricted cash balance at March 31, 2021 and 2020 was \$10.3 million and \$3.5 million, respectively.

Receivables - Receivables consist of amounts due from patrons and third-party processors and online gaming platforms. As of March 31, 2021 and 2020, there was \$8.8 million and \$3.5 million, respectively, due from gaming platform providers. Accounts receivables are non-interest bearing and are initially recorded at cost.

RESORTS DIGITAL GAMING, LLC
NOTES TO FINANCIAL STATEMENTS
(Unaudited)

Allowance for Doubtful Accounts - The Company reserves an estimated amount for receivables that may not be collected. The methodology for estimating the allowance includes using specific reserves and applying various percentages to aged receivables. Historical collection rates are considered, as are customer relationships, in determining specific allowances. As with many estimates, management must make judgments about potential actions by third parties in establishing and evaluating the allowance for doubtful accounts.

Deferred Revenue - Deferred revenue consists of amounts advanced from a third party and will be recognized in future periods as a component of gaming revenue.

Revenue Recognition - Online real money gaming revenues are measured by the aggregate net difference between gaming wins and losses. Jackpots are recognized at the time they are won by customers.

As of January 1, 2019, the Company adopted the provisions of FASB Accounting Standards Codification Topic 606, Revenue from Contracts with Customers (“Topic 606”), which provides a comprehensive revenue recognition model for all contracts with customers. The new model requires revenue recognition to depict the transfer of promised goods or services to customers at an amount that reflects the consideration expected to be received in exchange for those goods or services.

The Company’s revenue contracts with customers consist of gaming wagers and other transactions. The transaction price for a gaming wager contract is the difference between gaming wins and losses, not the total amount wagered. Gaming wager contracts involve two performance obligations for those customers earning points under the Company’s players’ club and a single performance obligation for customers who do not participate in the program. The Company applies a practical expedient by accounting for its gaming contracts on a portfolio basis because such wagers have similar characteristics and the Company reasonably expects the effects on the financial statements of applying the revenue recognition guidance to the portfolio to not differ materially from that which would result if applying the guidance to an individual wagering contract. For purposes of allocating the transaction price in a wagering contract between the wagering performance obligation and the obligation associated with loyalty points earned, the Company allocates an amount to the loyalty credit liability based on the stand-alone selling price of the points earned. An amount is allocated to the gaming wager performance obligation using the residual approach because the stand-alone price for wagers is highly variable and no set established price exists for such wagers. The allocated revenue for gaming wagers is recognized when the wagers occur because all such wagers settle immediately.

Loyalty Program – The Company provides customers with a loyalty program. Members of the loyalty program earn points based on gaming activity, and such points are redeemable for cash and free play based on the terms of the program. In addition, on a discretionary basis, the Company may award points to customers that can be redeemed for free play. The liability for these points is included in accrued expenses and other current liabilities on the accompanying balance sheets and totaled approximately \$155,000 and \$41,000 at March 31, 2021 and 2020, respectively.

Gaming Tax - The Company remits monthly to the State of New Jersey a tax equal to 15% of gross internet gaming revenue and a tax equal to 13% of gross internet sports wagering revenue, as defined. Gaming tax expense was \$2.0 million and \$1.5 million for the three months ended March 31, 2021 and 2020, respectively. Gaming tax is included in casino expenses in the accompanying statements of income.

Use of Estimates – The preparation of the financial statements in conformity with GAAP requires that the Company makes estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

Reclassification - Certain reclassifications of amounts previously reported have been made to the accompanying financial statements to maintain consistency between periods presented. The reclassifications had no impact on the previously reported net income.

Omitted Disclosures - In accordance with the DGE Financial Reporting guidelines the Company has elected not to include certain disclosures that were made in the December 31, 2020 report. Accordingly, the following disclosures have been omitted: certain Income Tax disclosures and Leases.

NOTE 3 - RECEIVABLES AND PATRONS' CHECKS

Receivables and patrons' checks as of March 31 consisted of the following (in thousands):

| | <u>2021</u> | <u>2020</u> |
|------------------------|-----------------|-----------------|
| Gaming Related | \$ 1,620 | \$ 996 |

| Third Party Receivable | 8,781 | 3,529 |
| Other | 54 | 3 |
| Receivables, net | <u>\$ 9,001</u> | <u>\$ 3,626</u> |

NOTE 4 – RELATED PARTY TRANSACTIONS

Resorts provides the Company with administrative services such as payroll, accounting, risk management, legal, treasury, and information systems in return for a fee pursuant to the Shared Services Agreement. This fee was \$231,000 and \$185,000 for the three months ended March 31, 2021 and 2020, respectively, and is included in general, administrative, and other in the accompanying statements of operations. The Company owed an affiliate, DGMB Casino, LLC, \$8.4 million and \$6.4 million as of March 31, 2021 and 2020, respectively, and is recorded in other current liabilities (note 6).

During 2015, agreements with TSG Interactive US Services Limited (formerly Rational Services Limited) (“Rational”) and NYX Digital Gaming (USA), LLC (formerly Sportech-NYX Gaming, LLC) (“NYX”) and Resorts, which is an “Affiliated Company” as that term is defined in each of the agreements, were assigned to the Company. Between 2013 and 2015, the Company received \$32.0 million in cash advances, which will be earned and recognized as revenue, as per the original agreement, based upon various events and conditions, through March 2026. In 2021, the original agreement was modified to extend it, and the amortization of the cash advances another two years. The company had approximately \$29.0 million and \$30.0 million recorded as deferred revenue as a result of these advances at March 31, 2021 and 2020, respectively.

NOTE 5 – CASINO REINVESTMENT DEVELOPMENT AUTHORITY

The New Jersey Casino Control Act provides, among other things, for an assessment of licensee equal to 2.5% of the Company’s gross internet gaming revenues, and 1.25% of the Company’s gross internet sports wagering revenue in lieu of an investment alternative tax equal to 5.0% of gross gaming revenues. The Company may satisfy this investment obligation by investing in qualified eligible direct investments, by making qualified contributions or by depositing funds with the Casino Reinvestments Development Authority (“CRDA”). Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, direct investments in approved CRDA projects may be donated to the CRDA. CRDA bonds have terms up to 50 years and bear interest at below-market rate.

On May 27, 2016, the New Jersey legislature enacted Senate Bill S1715, which implemented a Payment in Lieu of Taxes Program (the “PILOT”). Commencing in 2017 and for a period of ten (10) years, each Atlantic City casino property owner would fulfill their financial obligations to all local governments serving Atlantic City thereby exempting casino gaming properties from ad valorem property taxation by the City of Atlantic City. The PILOT has an impact on, among other things, the disposition of future CRDA payments by reallocating the majority of casino investment alternative tax (“IAT”) receipts collected by the CRDA to Atlantic City for the purpose of paying debt service on municipal bonds issued prior to the effective date of the bill until December 31, 2026. IAT revenues

previously pledged for the payment of bonds issued by the CRDA, or any bonds issued to refund those bonds, or otherwise contractually obligated by the CRDA prior to the effective date of the bill, are excluded from the reallocation.

To date no bonds have been purchased by the Company and the current CRDA funds on deposit are being used to fund the previously pledged grant to an affiliate or the PILOT program.

NOTE 6 – OTHER CURRENT LIABILITES

Other current liabilities as of March 31 consisted of the following (in thousands):

| | <u>2021</u> | <u>2020</u> |

| CRDA Obligations | 2,059 | 1,259 |
| Other | 60 | 85 |
| | <u>\$ 68,344</u> | <u>\$ 36,686</u> |

NOTE 7 – COMMITMENTS AND CONTINGENCIES

Litigation - The Company is involved in various claims and legal actions arising in the ordinary course of business. In the opinion of management, these matters will not have a material effect on the Company's financial position or results of operations.

NOTE 8 – SUBSEQUENT EVENTS
