CAESARS INTERACTIVE ENTERTAINMENT NEW JERSEY, LLC
NOTES TO FINANCIAL STATEMENTS
(Unaudited)

In these notes, the words “CIENJ,” “Company,” “we,” “our,” and “us” refer to Caesars Interactive Entertainment New Jersey, LLC, unless otherwise stated or the context requires otherwise. In addition, “Caesars Entertainment,” “CEI,” and “Caesars” refer to Caesars Entertainment Inc., and its consolidated subsidiaries.

Note 1 — Organization and Basis of Presentation

Organization and Description of Business

The Company was formed on March 22, 2013 as a New Jersey limited liability company. CIENJ is a wholly-owned subsidiary of William Hill US Holdco, Inc (“William Hill” or the “Member”).

The Company is licensed by the New Jersey Division of Gaming Enforcement (“DGE”) to operate interactive real money online gaming in New Jersey and is subject to the rules and regulations established by the DGE.

CIENJ was primarily organized to operate real money online gaming within the State of New Jersey. As of June 30, 2023, the Company offered real money online wagering to patrons in the State of New Jersey through CaesarsCasino.com, HarrahsCasino.com, TropicanaCasino.com, and WSOP.com (the “Owned Platforms”). On March 28, 2023 CaesarsCasino.com was rebranded as TropicanaCasino.com. The Company has also entered into several third party agreements which provide use of the Company’s gaming license and certain services (refer to Note 9 for the Company’s revenue recognition accounting policy).

Basis of Presentation and Use of Estimates

The Company’s financial statements are prepared in accordance with accounting principles generally accepted in the United States (“GAAP”). GAAP requires management to make estimates and assumptions that affect the reported amounts in the financial statements and notes thereto. Management believes the accounting estimates are appropriate and reasonably determined. Due to the inherent uncertainties in making these estimates, actual amounts could differ.

Subsequent Events

The Company completed its subsequent events review through August 9, 2023, the date on which the financial statements were available to be issued, and noted no items requiring disclosure.

Note 2 — Summary of Significant Accounting Policies

Additional significant accounting policy disclosures are provided within the applicable notes to the financial statements.

Cash and Cash Equivalents

Cash equivalents are highly liquid investments with maturities of less than three months from the date of purchase and are stated at the lower of cost or market value.

Advertising and Promotions

CIENJ expenses advertising production costs the first time the advertising takes place.

Fair Value

The fair value of cash and cash equivalents, other current assets, payables, and other current liabilities approximates carrying value due to the short-term nature of these financial instruments.

Gaming Taxes

The Company remits a tax equal to 15% of internet gross gaming revenue, as defined, and 13% of internet sports wagering gross revenue, as defined, to the State of New Jersey on a monthly basis. The Company remits an additional tax equal to 1.25% of internet sports wagering gross revenue, as defined, to the State of New Jersey on a quarterly basis. The Company’s gaming and sports wagering tax expense was \$2,981 thousand and \$4,897 thousand for the three months ended June 30, 2023 and 2022, respectively, and \$5,921 thousand and \$10,827 thousand for the six months ended June 30, 2023 and 2022, respectively. Gaming and sports wagering taxes are included in Casino expense in the accompanying Statements of Income.

CAESARS INTERACTIVE ENTERTAINMENT NEW JERSEY, LLC
NOTES TO FINANCIAL STATEMENTS (Continued)
(Unaudited)

Income Taxes

The Company is a disregarded entity for federal and state income tax purposes. The accompanying financial statements do not include a provision for income taxes since any income or loss allocated to the Member is reportable for income tax purposes by the Member. The Company's income tax return and the amount of allocable income are subject to examination by federal and state taxing authorities. If an examination results in a change to the Company's income, the Member's tax may also change.

Casino Reinvestment Development Authority ("CRDA") Investment Obligations

The New Jersey Casino Control Act provides, among other things, for an investment equal to 2.5% of gross internet gaming revenues in lieu of an investment alternative tax ("IAT") equal to 5% of gross internet gaming revenues.

The Company may satisfy this investment obligation by investing in qualified eligible direct investments, by making qualified contributions, or by depositing funds with the CRDA. Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, may be donated to the CRDA in exchange for credits against future CRDA investment obligations. The Company has elected to make the 2.5% investment with the CRDA as described above. The funds on deposit are held in an interest-bearing account by the CRDA. The Company records impairment charges to operations to reflect the estimated net realizable value of its CRDA investment.

Pursuant to a provision contained within legislation enacted to address Atlantic City's fiscal matters (the "PILOT Legislation"), any CRDA funds not utilized or pledged for direct investments, the purchases of CRDA bonds or otherwise contractually obligated, as well as all funds received from the payment of the IAT going forward are allocated to the City of Atlantic City. The PILOT Legislation directs that these funds be used for the purposes of paying debt service on bonds issued by the City of Atlantic City prior to and after the date of the PILOT Legislation. These provisions expire as of December 31, 2026.

Note 3 — Recently Issued Accounting Pronouncements

There were no new accounting pronouncements issued, or implemented in 2023 that would be applicable to the Company's financial statements.

Note 4 — Related Party Transactions

Allocated Expenses

Boardwalk Regency Corporation; d/b/a Caesars Atlantic City Hotel and Casino ("Caesars AC"), a subsidiary of CEOC LLC, and Harrah's Atlantic City ("Harrahs AC"), a subsidiary of Caesars Resort Collection, LLC ("CRC"), affiliates of CIENJ, allocate certain labor expenses to CIENJ. The Company recorded allocated labor expenses totaling \$14 thousand and \$51 thousand for the three months ended June 30, 2023 and 2022, respectively, and \$29 thousand and \$105 thousand for the six months ended June 30, 2023 and 2022, respectively. These expenses are included in Charges from affiliates other than interest in the Statements of Income.

Datacenter License Agreement

In 2013, CIENJ entered into a datacenter license agreement with Caesars AC to lease a portion of Caesars AC's property for the purpose of housing CIENJ's interactive gaming datacenter (the "Datacenter Agreement").

Distributions to Member

William Hill pays certain costs on behalf of CIENJ, which are settled in the normal course of business. There is no formal agreement between William Hill and CIENJ and no interest is imputed due to the related party nature of the arrangement. Excess cash is swept from CIENJ to William Hill in settlement of the costs paid by William Hill on behalf of CIENJ. Cash distributions that exceed the costs paid by William Hill are considered to be distributions to our Member.

Note 6 — Property and Equipment, net

Property and equipment are stated at cost, except for assets acquired in our business combinations which were adjusted for fair value under Accounting Standards Codification 805. Costs of major improvements are capitalized, while costs of normal repairs and maintenance are charged to expense as incurred. Depreciation is computed using the straight-line method over the estimated useful life of the asset as noted in the table below, or the term of the lease, whichever is less. Gains or losses on the disposal of property and equipment are included in operating income. Useful lives of each asset class are generally as follows:

Furniture, fixtures and equipment	3 to 15 years
Leasehold improvements	3 to 40 years

The Company evaluates its property and equipment and other long-lived assets for impairment whenever indicators of impairment exist. The Company compares the estimated future cash flows of the asset, on an undiscounted basis, to the carrying value of the asset. If the undiscounted cash flows exceed the carrying value, no impairment is indicated. If the undiscounted cash flows do not exceed the carrying value, then an impairment charge may be recorded for any difference between fair value and the carrying value. All recognized impairment losses are recorded as operating expenses.

Note 8 — Litigation, Contractual Commitments, and Contingent Liabilities

The Company is party to other ordinary and routine litigation incidental to our business. We do not expect the outcome of any such litigation to have a material effect on our financial position, results of operations, or cash flows, as we do not believe it is reasonably possible that we will incur material losses as a result of such litigation.

Note 9 — Revenue Recognition

Accounting Policies

We analyze our revenues based upon the type of services we provide. We recognize revenue for services when the services are performed and when we have no substantive performance obligation remaining. Sales and other taxes collected from customers on behalf of governmental authorities are accounted for on a net basis and are not included in net revenues or costs and expenses.

Casino Revenue

Online real money gaming revenues are measured by the aggregate net difference between gaming wins and losses and are recorded as Casino revenue in the accompanying Statements of Income, with liabilities recognized for funds deposited by customers before gaming play occurs. Cash discounts and other cash incentives are recorded as a reduction to Casino revenue.

The Company has entered into online platform and service agreements with third-party service providers to develop and maintain the Company's owned online gaming platforms or for use of a third party's online gaming platform and other interactive gaming services. Under these agreements, CIENJ pays third party service provider a fixed percentage of its Net Casino Revenues, as defined in each respective agreement ("Net Casino Revenues"). The Company is the primary obligor in

Caesars Rewards Loyalty Program

Through a cross-marketing agreement with CEOC, LLC, a majority-owned subsidiary of CEI and an affiliate of CIENJ, patrons of TropicanaCasino.com and HarrahsCasino.com have access to CEI's customer loyalty program, Caesars Rewards. Caesars Rewards grants Reward Credits to Caesars Rewards Members based on on-property spending, including gaming, hotel, dining, and retail shopping at all Caesars-affiliated properties. Members may redeem Reward Credits for complimentary or discounted goods and services such as rooms, food and beverages, merchandise, entertainment, and travel accommodations. Members are able to accumulate Reward Credits over time that they may redeem at their discretion under the terms of the program. Additionally, patrons of TropicanaCasino.com and HarrahsCasino.com have the opportunity to redeem their online reward credits for cash that is deposited directly into the patron's online wagering account. A member's Reward Credit balance is forfeited if the member does not earn at least one Reward Credit during a continuous six-month period. Reward Credits earned by customers are recorded as a reduction to Casino revenue in the accompanying Statements of Income.

Patrons of the WSOP.com platform have access to the Company's Poker Rewards loyalty program. Under this program, patrons have the opportunity to redeem their points for cash once a certain tier status is achieved in accordance with the terms of the program. Patrons of the Poker Rewards loyalty program also have the ability to earn status in the Caesars Rewards program through the Company's tier matching program. As points earned under this program can be redeemed for cash, the Company accrues 100% of the cash converted point balance as such credits are earned as a reduction to Casino revenue in the accompanying Statements of Income. For the three months ended June 30, 2023 and 2022, the Company recorded \$2 thousand and \$3 thousand, respectively, and \$4 thousand and \$25 thousand for the six months ended June 30, 2023 and 2022, respectively, as a reduction to Casino revenue in association with the Company's loyalty programs.

Because of the significance of the Caesars Rewards program and the ability for customers to accumulate Reward Credits based on their past play, we have determined that Reward Credits granted in conjunction with other earning activity represent a performance obligation. As a result, for transactions in which Reward Credits are earned, we allocate a portion of the transaction price to the Reward Credits that are earned based upon the relative standalone selling prices ("SSP") of the goods and services involved.

We have determined the SSP of a Reward Credit by computing the redemption value of credits expected to be redeemed. Because Reward Credits are not otherwise independently sold, we analyzed all Reward Credit redemption activity over the preceding calendar year and determined the redemption value based on the fair market value of the goods and services for which the Reward Credits were redeemed.

As part of determining the SSP for Reward Credits, we also determined that there is generally an amount of Reward Credits that is not redeemed, which is considered "breakage." We recognize the expected breakage proportionally with the pattern of

revenue recognized related to the redemption of Reward Credits. We periodically reassess our customer behaviors and revise our expectations as deemed necessary on a prospective basis.

Credit card processing receivables typically have a high turnover rate and are generally not subject to increased credit risk. For the six months ended June 30, 2023 and 2022, the Company recorded \$31 thousand and \$41 thousand, respectively, of allowance for doubtful accounts.
