**RESORTS DIGITAL GAMING, LLC**  
**NOTES TO FINANCIAL STATEMENTS**  
**(Unaudited)**

**NOTE 1 - ORGANIZATION AND DESCRIPTION OF BUSINESS**

The accompanying financial statements have been prepared in accordance with the rules and regulations of the New Jersey Division of Gaming Enforcement (“DGE”) and include the accounts of Resorts Digital Gaming, LLC (the “Company”), a New Jersey limited liability company that was formed on June 27, 2014. The Company is owned 100% by DGMB Casino Holding, LLC (“Holding”), a Delaware limited liability company, through a 99.5% direct ownership and a 0.5 % indirect ownership through DGMB Casino SPE Corp. (“SPE”), a Delaware corporation, which is the managing member of the Company. MGA Gaming NJ, LLC (MGA), a New Jersey limited liability company, is a non-managing member of Holding and 10% owner.

The Company holds a casino license issued on August 12, 2015, by the State of New Jersey Casino Control Commission (“Commission”) and, as an Internet Gaming Affiliate of DGMB Casino, LLC (“Resorts”), has been authorized by the DGE to operate real money online gaming in New Jersey under the Internet Gaming Permit (NJIGP-18-008) issued to Resorts. Resorts operates Resorts Casino Hotel located in Atlantic City, NJ. The Company operates both the ResortsCasino.com and MoheganSunCasino.com online casino websites. In 2018, legalized sports betting was approved in New Jersey. In April 2014, Resorts entered into an agreement with TSG Interactive US Services Limited d/b/a PokerStars (“PokerStars”). The Company licensed PokerStars to operate an online casino website, which includes poker, utilizing the Company’s Internet Gaming Permit. PokerStars launched its gaming operations in March of 2016. In January of 2021, PokerStars, using the FoxBet brand, launched sportsbook operations in New Jersey, however, operations were ceased in August of 2023.

On May 21, 2018, the Company entered into an online gaming agreement with Crown NJ Gaming, Inc., d/b/a DraftKings (“DraftKings”) whereby the Company licensed DraftKings to operate (i) an online casino website utilizing the Company’s Internet Gaming Permit and (ii) an online sports betting website utilizing the Company’s Sports Wagering License. DraftKings began operations in August of 2018. On December 6, 2022, an amendment was executed to allow DraftKings to offer poker on its online casino website.

In addition, on September 1, 2020, the Company entered into an online gaming agreement with Penn Interactive Ventures, LLC, d/b/a Penn (“Penn”) whereby the Company licensed Penn to operate an online casino website (with the exception of poker) utilizing the Company’s Internet Gaming Permit. Penn launched its Barstool branded online casino website in August of 2021.

Under these agreements, the Company is paid a fixed percentage of the operator’s net gaming revenue, as defined, with some contractual annual minimums and maximums. Revenue generated from these activities are recognized in Casino Revenues in the accompanying financials. All expenses associated with the third-party operations under the Company’s license are recognized under selling, general, and administrative within the accompanying financials. Other expenses reimbursed from third party partners to the Company are recognized in Other Revenues.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation** - The preparation of the financial statements in conformity with accounting principles generally accepted in the United States (“GAAP”) requires that the Company make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

**Cash and Concentrations of Credit Risk** - Cash includes cash on account and cash on hand. The Company maintains its cash in bank deposit accounts which exceed federally insured limits. Accounts are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor, per insured bank, for each account ownership category. At September 30, 2023, and September 30, 2022, the Company had approximately \$95.7 million and \$93.2 million, respectively, in excess of FDIC-insured limits.

**RESORTS DIGITAL GAMING, LLC**  
**NOTES TO FINANCIAL STATEMENTS**  
**(Unaudited)**

Pursuant to NJAC 13:69O-1.3(k), a unique New Jersey bank account is maintained to segregate internet gaming patron's funds on deposit, pending withdrawals, and active bets. The balance in this account at September 30, 2023 and 2022 was \$84.7 million and \$87.0 million, respectively. Unrestricted cash balance at September 30, 2023 and 2022 was \$11.3 million and \$6.5 million, respectively.

**Receivables** - Receivables consist of amounts due from patrons and third-party processors and online gaming platforms. As of September 30, 2023 and 2022, there was \$15.2 million and \$12.6 million, respectively, due from gaming platform providers. Accounts receivables are non-interest bearing and are initially recorded at cost.

**Allowance for Doubtful Accounts** - The Company reserves an estimated amount for receivables that may not be collected. The methodology for estimating the allowance includes using specific reserves and applying various percentages to aged receivables. Historical collection rates are considered, as are customer relationships, in determining specific allowances. As with many estimates, management must make judgments about potential actions by third parties in establishing and evaluating the allowance for doubtful accounts.

**Deferred Revenue** - Deferred revenue consists of amounts advanced from a third party and will be recognized in future periods as a component of gaming revenue.

**Revenue Recognition** - The company accounts for revenue recognition in accordance with the provisions of FASB Accounting Standards Codification Topic 606, *Revenue from Contracts with Customers* ("Topic 606"), which provides a comprehensive revenue recognition model for all contracts with customers. The model requires revenue recognition to depict the transfer of promised goods or services to customers at an amount that reflects the consideration expected to be received in exchange for those goods or services.

The Company's revenue contracts with customers consist of gaming wagers, including sports wagering, and other transactions. The transaction price for a gaming wager contract is the difference between gaming wins and losses, not the total amount wagered. Gaming wager contracts involve two performance obligations for those customers earning points under the Company's players' club and a single performance obligation for customers who do not participate in the program. The Company applies a practical expedient by accounting for its gaming contracts on a portfolio basis because such wagers have similar characteristics, and the Company reasonably expects the effects on the financial statements of applying the revenue recognition guidance to the portfolio to not differ materially from that which would result if applying the guidance to an individual wagering contract. For purposes of allocating the transaction price in a wagering contract between the wagering performance obligation and the obligation associated with loyalty points earned, the Company allocates an amount to the loyalty credit obligation based on the stand-alone selling price of the points earned. An amount is allocated to the gaming wager performance obligation using the residual approach because the stand-alone price for wagers is highly variable and no set established price exists for such wagers. The allocated revenue for gaming wagers is recognized when the wagers occur because all such wagers settle immediately.

**Loyalty Program** – The Company provides customers with a loyalty program. Members of the loyalty program earn points based on gaming activity, and such points are redeemable for cash and free play based on the terms of the program. In addition, on a discretionary basis, the Company may award points to customers that can be redeemed for free play. The liability for these points is included in accrued expenses and other current liabilities on the accompanying balance sheets and totaled approximately \$0.1 million at September 30, 2023 and 2022.

**Gaming Tax** - The Company remits monthly to the State of New Jersey a tax equal to 15% of gross internet gaming revenue, as defined. Gaming tax expense was \$4.3 million and \$5.1 million for the nine months ended September 30, 2023 and 2022, respectively. Gaming tax is included in casino expenses in the accompanying statements of income.

**Entities Under Common Control** - Management has elected an accounting policy alternative such that, when certain conditions exist, management does not apply variable interest entity guidance for assessing whether it should consolidate legal entities under common control. The Company has adopted this standard as management believes the presentation of the Company-only financial information is more relevant to the users of the financial statements.

**RESORTS DIGITAL GAMING, LLC**  
**NOTES TO FINANCIAL STATEMENTS**  
**(Unaudited)**

**Right-of-Use Assets and Lease Liabilities** -The Company adopted ASC 842 on January 1, 2022, using the prospective adoption approach, and therefore, comparative periods will continue to be reported under prior lease accounting guidance consistent with previously issued financial statements. The Company elected the package of practical expedients permitted under the transition guidance within ASC 842, which among other things, allows the Company to carry forward the historical lease identification, lease classification and treatment of initial direct costs for leases entered into prior to January 1, 2022. The Company also made an accounting policy election to not record short-term leases with an initial term of 12 months or less on the balance sheet for all classes of underlying assets. The Company has also elected to not adopt the hindsight practical expedient for determining lease terms.

The Company’s operating leases, in which The Company is the lessee, are recorded on the balance sheet as an ROU asset with a corresponding lease liability. The lease liability will be remeasured each reporting period with a corresponding change to the ROU asset. ROU assets totaled \$0.2 million and \$0.1 million as of September 30, 2023, and September 30, 2022, respectively, and can be found in Other Assets in the accompanying financial statements. Lease liabilities totaled \$0.2 million and \$0.1 million as of September 30, 2023, and September 30, 2022, respectively, and can be found in Other Accrued Expenses and Other Liabilities in the accompanying financial statements.

**Use of Estimates** – The preparation of the financial statements in conformity with GAAP requires that the Company makes estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

**Reclassification** - Certain reclassifications of amounts previously reported have been made to the accompanying financials statements to maintain consistency between periods presented. The reclassifications had no impact on the previously reported net income.

**Omitted Disclosures** - In accordance with the DGE Financial Reporting guidelines the Company has elected not to include certain disclosures that were made in the December 31, 2022 report. Accordingly, the following disclosures have been omitted: certain Income Tax disclosures, Leases, and Advertising.

**NOTE 3 - RECEIVABLES AND PATRONS’ CHECKS**

Receivables and patrons’ checks as of September 30 consisted of the following (in thousands):

	<u>2023</u>	<u>2022</u>
Gaming Related	\$ 2,594	\$ 2,325
Third Party Receivable	15,213	12,372
Other	45	370
Less reserve	(2,413)	(3,831)
Receivables, net	<u>\$ 15,439</u>	<u>\$ 11,236</u>

**NOTE 4 – ENTITIES UNDER COMMON CONTROL**

Resorts provides the Company with administrative services such as payroll, accounting, risk management, legal, treasury, and information systems in return for a fee pursuant to the Shared Services Agreement. This fee was \$0.8 for the nine months ended September 30, 2023 and 2022, and is included in general, administrative, and other in the accompanying statements of operations. The Company owed an affiliate, DGMB Casino, LLC, \$2.3 million and \$7.4 million as of September 30, 2023 and 2022, respectively, and is recorded in other current liabilities (note 6). In addition, as discussed in Note 7, the Company is a co-borrower on Resorts’ debt.

During 2015, agreements between PokerStars, NYX Digital Gaming (USA), LLC and Resorts were assigned to the Company. Between 2013 and 2015, the Company received \$32.0 million in cash advances from Pokerstars, which

**RESORTS DIGITAL GAMING, LLC**  
**NOTES TO FINANCIAL STATEMENTS**  
**(Unaudited)**

will be earned and recognized as revenue, as per the original agreement, based upon various events and conditions, through March 2026. In 2021, the agreement was amended, which among other things, gave PokerStars the option to extend the agreement for an additional two years. The company had approximately \$20.6 million and \$24.7 million recorded as deferred revenue as a result of these advances at September 30, 2023 and 2022, respectively.

**NOTE 5 – CASINO REINVESTMENT DEVELOPMENT AUTHORITY**

The New Jersey Casino Control Act provides, among other things, for an assessment of licensee equal to 2.5% of the Company’s gross internet gaming revenues, and 1.25% of the Company’s gross internet sports wagering revenue in lieu of an investment alternative tax equal to 5.0% of gross gaming revenues. The Company may satisfy this investment obligation by investing in qualified eligible direct investments, by making qualified contributions or by depositing funds with the Casino Reinvestments Development Authority (“CRDA”). Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, direct investments in approved CRDA projects may be donated to the CRDA. CRDA bonds have terms up to 50 years and bear interest at below-market rate.

On May 27, 2016, the New Jersey legislature enacted Senate Bill S1715, subsequently amended by Senate Bill S4007 in December 2021, which implements a Payment in Lieu of Taxes Program (the “PILOT”). Commencing in 2017 and for a period of ten (10) years, each Atlantic City casino property owner would fulfill their financial obligations to all local governments serving Atlantic City thereby exempting casino gaming properties from ad valorem property taxation by the City of Atlantic City. The PILOT has an impact on, among other things, the disposition of future CRDA payments by reallocating the majority of casino investment alternative tax (“IAT”) receipts collected by the CRDA to Atlantic City for the purpose of paying debt service on municipal bonds issued prior to the effective date of the bill until December 31, 2026. IAT revenues previously pledged for the payment of bonds issued by the CRDA, or any bonds issued to refund those bonds, or otherwise contractually obligated by the CRDA prior to the effective date of the bill, are excluded from the reallocation.

To date no bonds have been purchased by the Company and the current CRDA funds on deposit are being used to fund the previously pledged grant to an affiliate or the PILOT program.

**NOTE 6 – OTHER CURRENT LIABILITES**

Other current liabilities as of September 30 consisted of the following (in thousands):

	<u>2023</u>	<u>2022</u>
Patron Deposits	\$ 84,000	\$ 86,110
