No Ancillary Casino Service Industry Enterprise License shall be issued to any person unless that person shall provide proof of valid business registration with the Division of Revenue in the Department of Treasury. A licensed ancillary casino service contractor under contract with a casino applicant or licensee, may not enter into any subcontract unless the subcontractor first provides the licensed contractor with proof of the subcontractor's business registration. The licensed ancillary casino service contractor is responsible for forwarding proof of the subcontractor's business registration to the Department of Treasury's Division of Taxation.

Effective September 1, 2001, businesses that register with the Division of Revenue are issued a business registration certificate. This certificate will serve as proof of valid business registration for the purposes of Ancillary Casino Service Industry Enterprise licensure.

If the prospective applicant for issuance of an Ancillary Casino Service Industry License has not registered with the Division of Revenue as required by New Jersey law, it can do so by utilizing the Division of Revenue's online registration service at:

<http://www.state.nj.us/treasury/revenue/gettingregistered.shtml>

by calling the Registration Hotline at (609) 292-1730 to obtain a registration form, or by downloading a paper registration form from the Internet at:

<http://www.state.nj.us/treasury/revenue/revprnt.shtml>

Once the prospective license applicant has registered with the Division of Revenue, that agency will send the prospective license applicant a business registration schedule.

5. Pursuant to section 102d of the Casino Control Act, *N.J.S.A. 5:12-102d*, by filing this application, the applicant submits to the jurisdiction of the State of New Jersey and is amenable to service of process within the State of New Jersey.
