DONATION PERMIT APPLICATION
FOR ALCOHOLIC BEVERAGES

A Casino Hotel Alcoholic Beverage (CHAB) Donation Permit issued by the Division of Gaming Enforcement (Division) is required when a licensed wholesaler or other person that does not hold an annual special permit to donate alcoholic beverages issued by the New Jersey Division of Alcoholic Beverage Control (ABC), seeks to donate alcoholic beverages for consumption at a social affair held on the premises of a CHAB licensee. The holder of a CHAB Donation Permit may donate alcoholic beverages to qualified alcoholic industry trade organizations and bona fide charitable organizations.

A licensed wholesaler or other person that holds an annual permit to donate alcoholic beverages issued by the ABC may donate alcoholic beverages for consumption at a social affair held on the premises of a CHAB licensee, provided that a copy of the Permit is filed with the Division no later than one day prior to the event.

Each wholesaler or other person that files an application for a CHAB Donation Permit must provide specific information about the affair and the alcoholic beverages to be donated. A copy of the 12-digit ABC license must be included with this application. In addition, any applicant for a CHAB Donation Permit must include an Inventory Report that describes the type (brand name) and the amount of alcoholic beverages to be donated.

The application must be filed at least 30 days before the date of the affair and is to include a fee of \$50 for each day that donated alcoholic beverages are delivered to the affair. The fee is nonrefundable should the event be canceled.

A CHAB Donation Permit is granted with conditions that address the donation of alcoholic beverages at the affair.

Additional information about a CHAB Donation Permit can be found in the CHAB Donation Permit application form or by calling (609) 317-6218.
