The petitioner proposes the following:

Based on the Division's authority, the requested amendment to Evolution's Operational Plan, as set forth above, is hereby granted pursuant to N.J.A.C. 13:69D-7.1 et seq.

This approval is subject to the following conditions:

- A. That Evolution complies with CCTV requirements identified in N.J.A.C. 13:69D-1.10 regarding the requirements to record all gaming tables whether active or inactive;
- B. That all CCTV cameras must be accessible from the Division's CCTV monitoring system as required by N.J.A.C. 13:69D-1.10(a)3;
- C. That Hard Rock Security Department is responsible for the security of the Evolution Live Studio; and
- D. Once modifications have been completed, satisfactory inspections and approvals by the Division are required to ensure that the changes made conform to the petition. The review also includes, but is not limited to, an assessment of the adequacy of CCTV and security coverage. Such inspections must be done **prior to the proposed areas being used for gaming activity.**

To schedule an inspection, please contact the Division at inspections@njdgc.org. Please note that the Division conducts inspections Monday through Friday and require advance notification of at least one (1) business day.
