

PUBLIC NOTICE

DEPARTMENT OF LAW AND PUBLIC SAFETY

OFFICE OF THE ATTORNEY GENERAL

Notice of Availability of Funds

Cops in Shops Federal Fiscal Year 2019

Take notice that the Department of Law and Public Safety (LPS), through the Division of Alcoholic Beverage Control (ABC) announces the following availability of non-competitive subaward program funds:

A. Name of program:

Cops in Shops Federal Fiscal Year 2019

1. Cops in Shops College Fall Initiative 2018-19
2. Cops in Shops Summer Shore Initiative 2019

B. Purpose:

The ABC has applied for a block grant from the New Jersey Division of Highway Traffic Safety (HTS). If awarded the block grant, ABC intends to make funds available, pursuant to this notice, to be used by qualifying municipalities to run the Cops in Shops program during Federal Fiscal Year (FFY) 2019. The funding will be divided between two programs, the College Fall Initiative 2018-19 and the Summer Shore Initiative 2019.

Created by the Century Council, a national non-profit organization dedicated to combating underage drinking, the Cops in Shops program offers a unique approach to preventing the illegal purchase of alcohol by underage persons through a “partnership” of liquor retailers, specifically Plenary Retail Distribution license holders, and the law enforcement community. The program also targets adults who purchase alcoholic beverages for underage individuals.

Specifically, undercover police officers work cooperatively with licensed retailers by posing as employees or patrons in the retail establishments to stop anyone under the age of 21 who attempts to purchase alcohol or use false identification. The Cops in Shops program advertises and educates youth, adults and parents about the legal repercussions of underage drinking through the use of posters, decals, stickers (advertised at point of sale) and newspaper releases.

C. Available Funding:

The ABC has applied for a block grant from HTS for FFY 2019. If awarded the block grant, the ABC intends to make the funds available in this notice to be used to run the Cops in Shops College Fall 2018-19 Initiative and the Summer Shore Initiative 2019 in qualifying municipalities. In addition, the ABC intends for funds to be allocated to certain Critical Event dates such as Thanksgiving Eve 2018, and Prom 2019. ABC intends the initiative to be supported by FFY 2019 National Priority Safety Programs funding from the Department of Transportation, National Highway Traffic Safety Administration.

The ABC is seeking subaward applications for this initiative. For the **College Fall Initiative 2018-19**, and applicable Critical Event dates, the funds, subject to availability, will be awarded on a non-competitive basis for the **program period of November 19, 2018 through May 15, 2019**. For **Summer Shore Initiative 2019**, and applicable Critical Events dates, the funds, subject to availability, will be awarded on a non-competition basis for the **program period of May 22, 2019 through September 15, 2019**.

The number of awards available and the amount of awards depends upon the number of applications received.

D. Organizations which may apply for funding under this program:

For the College Fall Initiative 2018-19, the ABC is seeking applications from municipal police departments throughout New Jersey that have a college or university within its borders, or

borders a municipality with a college within its borders. These municipalities have observed an influx of individuals under the legal age to engage in alcoholic beverage activity enter into their community when the college/university is in session.

For the Summer Shore Initiative 2019, the ABC is seeking applications from municipal police departments throughout New Jersey that are shore communities, or serve as a gateway to shore communities, and undergo a large influx of vacationers during the summer months. These municipalities have observed an influx of individuals under the legal age to engage in alcoholic beverage activity during the summer months when the seaside attractions lure people for vacations and weekend getaways.

In addition, participants in both Initiatives will have the opportunity to apply for additional funding to run details on certain Critical Event dates such as Thanksgiving Eve 2018, and Prom 2019, when such events would otherwise fall outside the program dates.

The departments selected to implement these programs will be encouraged to select retail liquor outlets based upon complaints and to seek out cooperating retailers. Agencies are required to submit letters of intent to participate from the retail licensed establishments that they plan to work with. The division recommends that two off-duty police officers be assigned to work in four-hour shifts. The ABC will reimburse the departments for their officers for overtime rate not to exceed \$55.00 per hour. Deterrence will be a major component of this effort. Cooperating retailers will post signs and other materials warning underage individuals that the program can be operating at any time on the licensed premises. Program participants will be required to submit to the ABC weekly timesheets and arrest data to monitor the results of the program.

E. Qualifications needed by Applicant to be considered for funding:

For the College Fall 2018-19 Initiative, municipalities in New Jersey that have a college or university within their borders or that border a municipality that has a college or university.

For the Summer Shore Initiative 2019, municipalities in New Jersey that are a shore community or that may be considered a gateway to a shore community.
