OFFICE OF THE ATTORNEY GENERAL

Notice of Availability of Funds

Cops in Shops Initiative Federal Fiscal Year 2022

Take notice that the Department of Law and Public Safety (LPS), through the Division of Alcoholic Beverage Control (ABC) announces the following availability of non-competitive sub-award program funds:

A. Name of program:

Cops in Shops Initiative Federal Fiscal Year 2022

1. Summer Shore Initiative 2022

B. Purpose:

The ABC has applied for a block grant from the New Jersey Division of Highway Traffic Safety (HTS). If awarded the block grant, ABC intends to make funds available, pursuant to this notice, to be used by qualifying municipalities to run the Cops in Shops program during Federal Fiscal Year (FFY) 2022.

Founded in 1991, and originally known as The Century Council, the Foundation for Advancing Alcohol Responsibility ([Responsibility.org](https://www.responsibility.org)), is a national non-profit organization dedicated to combating underage drinking, the Cops in Shops program offers a unique approach to preventing the illegal purchase of alcohol by underage persons through a "partnership" of retail

licensed establishments and the law enforcement community. The program also targets adults who purchase alcoholic beverages for underage individuals.

Specifically, undercover police officers work cooperatively with retail licensed establishments by posing as employees or patrons in the licensed premises to stop anyone under the age of 21 who attempts to purchase alcohol or use fictitious identification. The Cops in Shops program advertises and educates youth, adults and parents about the legal repercussions of underage drinking through the use of posters, decals, stickers (advertised at point of sale) and newspaper releases.

C. Available Funding:

The ABC has applied for a block grant from HTS for FFY 2022. If awarded the block grant, the ABC intends to make the funds available in this notice to be used to run the Cops in Shops Summer Shore Initiative 2022 in qualifying municipalities. ABC intends the initiative to be supported by FFY 2022 National Priority Safety Programs funding from the Department of Transportation, National Highway Traffic Safety Administration.

The ABC is seeking sub-award applications for this initiative. For **Summer Shore Initiative 2022**, the funds, subject to availability, will be awarded on a non-competition basis for the **program period of May 25, 2022 through September 15, 2022.**

The number of awards available and the amount of awards depends upon the number of applications received.

D. Organizations which may apply for funding under this program:

For the Summer Shore Initiative 2022, the ABC is seeking applications from municipal police departments throughout New Jersey that are shore communities, or serve as a gateway to

shore communities, and undergo a large influx of vacationers during the summer months. These municipalities have observed an influx of individuals under the legal age to engage in alcoholic beverage activity during the summer months when the seaside attractions lure people for vacations and weekend getaways.

The departments selected to implement this program will be encouraged to select retail licensed establishments based upon complaints and to seek out cooperating licensed premises. Agencies are required to submit letters of intent to participate from the retail licensed establishments that they plan to work with. The division recommends that two off-duty police officers be assigned to work in four-hour shifts. The ABC will reimburse the departments for their officers for overtime rate not to exceed \$60.00 per hour. Deterrence will be a major component of this effort. Cooperating retail licensed establishments will post signs and other materials warning underage individuals that the program can be operating at any time on the licensed premises. Program participants will be required to submit to the ABC weekly timesheets and arrest data to monitor the results of the program.
