Notice of Availability of Funds

2022 Transitional Housing Program

Take notice that in compliance with N.J.S.A. 52:14-34.4, the Department of Law & Public Safety (LPS), through the Juvenile Justice Commission (JJC) in conjunction with the Governor's Juvenile Justice and Delinquency Prevention (JJDP) Committee, hereby announce the availability of the following grant program funds:

a. Name of the Program: 2022 Transitional Housing Programming.

b. Background & Purpose

Youth in the Juvenile Justice Commission (JJC) are serving a term of incarceration pursuant to a disposition imposed by New Jersey's Family Courts. Supervision continues even if the juvenile reaches the age of majority. Youth ages on parole range from 16-28 with 52% of parolees being over the age of 20. The average age of a youth upon discharge from the JJC is 20.3 for males and 23 for females. The total average age of those currently being supervised in the community is 20.5.

The JJC implements a reentry plan that provides opportunities for successful reintegration for each youth. Reflecting best practices, the JJC's reentry process begins at admission and includes individualized case planning based on a needs assessment and pre-release transitional reentry planning with community-based partners; however, reentry challenges still exist and vary by individual need and available resources in the receiving county. A lack of suitable, stable housing is one such challenge.

Housing stability matters throughout life but may be especially important during certain developmental stages, such as the transition to adulthood, because of its relationship to healthy interdependence and self-sufficiency. A lack of stable housing can impede these efforts to become self-sufficient. Moreover, it is difficult for young people to pursue education and training, or to find and keep a job, if their housing is unstable. Conversely, young people are better able to

continue their schooling and maintain gainful employment if they are stably housed (Johnson et al. 2010; Sommer, Wu, and Mauldon 2009).

The priority locations for housing programs are situated within 30 miles surrounding Paterson (Passaic County), Jersey City (Hudson County), Newark (Essex County), and Trenton (Mercer); however, proposals will be considered from other central and northern areas of the state as well.

The JJC seeks to award funding to secure up to two (2) slots in housing programs statewide that are guaranteed to be available for JJC youth up to the age of 26. The JJC will enter into an award with selected providers that will allow the JJC to access these “guaranteed” slots, as described further below.

c. Funding available: Up to \$73,000 total (FFY 2020 Title II funds)

- Start and end date: 11/1/22 – 10/31/23.
- Award period is one year with a possibility to renew.
- Funding may be distributed among multiple providers.
- Providers will be awarded, and payment provided based “guaranteed occupancy.” A guaranteed slot is reserved solely for the use of JJC youth regardless of whether the slot is occupied. Therefore, payment will be made if the slot is occupied or unoccupied.
- Award amounts will be determined based on the number of qualified applicants and capacity per provider.
- Please note that this is a reimbursement grant.

d. Subject to Appropriations

Please note that funding allocations and individual subaward amounts are subject to change. Subrecipients shall recognize and agree that both the initial provision of funding and the continuation of such funding under a grant agreement is expressly dependent upon the availability to the JJC of funds appropriated by the State or Federal Legislature from State and/or Federal revenue or such other funding sources as may be applicable. A failure of JJC to make any payment under a grant agreement or to observe and perform any condition on its part to be performed under a grant agreement as a result of the failure of the State or Federal Legislature to appropriate funds shall not in any manner constitute a breach of a grant

agreement by JJC or an event of default under a grant agreement, and JJC shall not be held liable for any breach of a grant agreement because of the absence of available funding appropriations. In addition, future funding shall not be anticipated from JJC beyond the duration of the award period set forth in a grant agreement and in no event shall a grant agreement be construed as a commitment by JJC to expend funds beyond the termination date set in a grant agreement.
