Notice of Availability and Award of Funds

Federal Fiscal Year (FFY) 2019, FFY 2020, FFY 2021 and FFY 2022 Edward Byrne Memorial Justice Assistance Grant Program (JAG)

The Department of Law and Public Safety (Department), pursuant to N.J.S.A. 52:14-34.4, announces the availability and award of the following non-competitive subawards funded by FFY19 – FFY22 JAG program funds:

New Jersey State Police Automatic License Plate Reader (ALPR) \$335,780

Under this program, \$335,780 in grant funding will be offered and awarded to the New Jersey State Police (NJSP). Funding will be utilized for the NJSP Statewide Networked Automatic License Plate Reader (ALPR) Program, NJ SNAP. The program was founded in 2022 and works to connect all of the state's law enforcement ALPRs into one interface for querying while simultaneously managing and expanding locations of all NJSP owned ALPR cameras. NJ SNAP has the ability to tactically and strategically set an ALPR blanket across the state. Additional locations for ALPR installation will make it easier for police to solve auto theft and work to prevent violent and gun crimes. The goal of this investment will allow law enforcement access to technology and data that will curtail violent crime and motor vehicle theft by identifying criminal patterns, trends, and violent recidivist offenders to develop and inform public safety programs, strategies, and initiatives. The funding is for a 16-month period from June 1, 2023 through September 30, 2024.

Eligible recipients of the non-competitive FFY19 - FFY22 JAG program funds will receive application guidelines and all required application forms, via e-mail, that must be completed and

submitted by the established due date. Upon approval of project narrative and budget, applicants will receive subaward contract documents for approval and signature. Subrecipients must comply with programmatic and fiscal reporting requirements for approval and/or reimbursement of costs incurred during the project period.

Please note that funding allocations and individual subaward amounts are subject to change. Subrecipients shall recognize and agree that both the initial provision of funding and the continuation of such funding under a grant agreement is expressly dependent upon the availability to the Department of funds appropriated by the State or Federal legislature from State and/or Federal revenue to such other funding sources as may be applicable. A failure of the Department to make any payment under a grant agreement or to observe and perform any condition on its part to be performed under a grant agreement as a result of the failure of the State or Federal legislature to appropriate funds shall not in any manner constitute a breach of a grant agreement by the Department or an event of default under a grant agreement because of the absence of available funding appropriations. In addition, future funding shall not be anticipated from the Department beyond the duration of the award period set forth in a grant agreement and in no event shall a grant agreement be construed as a commitment by the Department to expend funds beyond the termination date set forth in a grant agreement.
