Notice of Availability of Funds

State/Community Partnership Grant Program and Family Court Services Program

Take notice that: in compliance with N.J.S.A. 52:14-34.4, the Juvenile Justice Commission hereby announces the availability of the following grant program funds, which are accessed through one Comprehensive Plan Update and Application process:

- a. Name of program:** Calendar Year (CY) 2025 State/Community Partnership Grant Program and Calendar Year (CY) 2025 Family Court Services Program.
- b. Purpose:** The State/Community Partnership Grant Program and the Family Court Services Program offer grants to each County through their County Youth Services Commissions to plan and implement community-based sanctions and services for juveniles adjudicated or for youth charged as delinquent and for delinquency prevention programs as provided for in N.J.A.C. 13:90. County Youth Services Commissions use these grant funds to develop a continuum of community-based programs and services for preventing delinquency and for each decision point in the youth justice continuum including diversion, detention, disposition and reentry during the grant period.
- c. Funding available:** The Juvenile Justice Commission will notify each County of its respective CY 2025 allocation when State Fiscal Years 2025 and 2026

budgets are finalized. All funds will be based on a formula. The 2025 funding allocation is for the one-year period of January 1, 2025 - December 31, 2025. Future state legislative appropriations for these grant programs are subject to appropriation and availability of sufficient funds. Every county that submits a timely and complete Plan Update and Application will receive a formula award.

d. Subject to Appropriations

Please note that funding allocations and individual subaward amounts are subject to change. Subrecipients shall recognize and agree that both the initial provision of funding and the continuation of such funding under a grant agreement is expressly dependent upon the availability of funds appropriated by the State or Federal Legislatures from State and/or Federal revenue or other funding sources as may be applicable. A failure of the Commission to make any payment under a grant agreement or to observe and perform any condition on its part to be performed under a grant agreement as a result of the failure of the State or Federal Legislatures to appropriate funds shall not in any manner constitute a breach of a grant agreement by the Commission or an event of default under a grant agreement and the Commission shall not be held liable for any breach of a grant agreement because of the absence of available funding appropriations. In addition, future funding shall not be anticipated from the Commission beyond the duration of the award period set forth in a grant agreement and in no event shall a grant agreement be construed as a commitment by the Commission to expend funds beyond the termination date set forth in a grant agreement.

- e. **Organizations which may apply for funding under this program:** Each County, through their County Youth Services Commission, may apply for funding.
- f. **Qualifications needed by an applicant to be considered for funding:** To be considered for funding, an eligible applicant must submit a completed CY 2025 Comprehensive Plan Update and CY 2025 Comprehensive Application in accordance with the requirements of the program.
