CRACKDOWN REPORT

NEW JERSEY DIVISION OF HIGHWAY TRAFFIC SAFETY

OVER THE LIMIT, UNDER ARREST • DECEMBER 8, 2008 - JANUARY 2, 2009

Impaired driving is a crime that exacts a horrendous toll both nationally and in New Jersey. Every year, 13,000 people are killed on our nation's roads in crashes involving impaired drivers. That equates to 37 deaths each day or one every 39 minutes. In the most recent five-year period for which data is available, 31% of New Jersey's motor vehicle fatalities were alcohol-related. However, in recent years the rate has been trending down, to 29 % in 2007, which indicates efforts involving high visibility enforcement are having a positive impact.

The goal of the *Over the Limit, Under Arrest 2008 Year-End Crackdown* was to raise public awareness about the dangers of impaired driving during a time of year in which impaired driving increases by as much as 10%. The New Jersey Division of Highway Traffic Safety (NJDHTS) invited the 494 police agencies in New Jersey to participate in the campaign from December 8, 2008 - January 2, 2009, and provided $5,000 in overtime grant funding to 92 departments. The remaining agencies were asked to support the crackdown with their own resources.

In addition to the enforcement effort, NJDHTS utilized earned media to deliver the *Over the Limit, Under Arrest* message. A statewide press release was issued to print and broadcast media and police department grantees were also asked to engage their local media in covering the mobilization, resulting in local newspaper and radio coverage across the state.

THE RESULTS

The *Over the Limit, Under Arrest 2008 Year-End Crackdown* resulted in 1,909 DWI arrests. In addition, the participating police agencies issued 12,734 and 5,199 speeding and seat belt summonses, respectively. The crackdown focused on impaired driving, but as with all statewide traffic safety initiatives, motorists were again reminded of the state's commitment to proper restraint and obeying posted speed limits.

Police agency participation in the crackdown was strong with 424 agencies taking part, up from 333 in 2007. Fifteen agencies reported making at least 16 DWI arrests during the three-week campaign. However, for every impaired driver removed from the road, dozens more are not apprehended, which continues to cause significant danger on our roadways. In the years ahead, the Division will continue its partnership with the state's law enforcement community to remove impaired drivers from the road.
