

CRACKDOWN REPORT

NEW JERSEY DIVISION OF HIGHWAY TRAFFIC SAFETY

OVER THE LIMIT, UNDER ARREST • AUGUST 15 - SEPTEMBER 1, 2008

Impaired driving continues to cause unnecessary deaths and injuries on New Jersey's roadways each year. In 2007 (the last full year for which data is available), there were 210 alcohol-related fatalities in the state, accounting for 29% of all motor vehicle-related deaths. Despite the fact that this was the second consecutive year that alcohol-related fatalities declined, the New Jersey Division of Highway Traffic Safety (NJDHHS), the state's law enforcement community, and traffic safety agencies recognize that impaired driving remains a serious problem.

From August 15 - September 1, 2008, NJDHHS again participated in the national *Over the Limit, Under Arrest* impaired driving crackdown. The goal of the crackdown is to mobilize all police agencies in the state to raise public awareness

about the dangers of impaired driving, through a combination of stepped up enforcement and media activities.

NJDHHS invited all 493 police agencies in New Jersey to support the initiative with 175 receiving overtime enforcement grants in the amount of \$5,000 each. The remaining agencies were asked to support the crackdown through the use of their own resources.

To help spread the *Over the Limit, Under Arrest* message, a statewide press release was issued just prior to the start of the crackdown. Police departments were also asked to engage their local media through the dissemination of press releases and public service announcements.

THE RESULTS

The 2008 *Over the Limit, Under Arrest* statewide crackdown resulted in 1,589 DWI arrests, down from 1,655 arrests during the 2007 campaign. In addition, participating police agencies issued 9,126 and 4,732 speeding and seat belt summonses, respectively. The crackdown focused on impaired driving, but as with all statewide traffic safety initiatives, motorists were again reminded of the state's commitment to proper restraint and obeying posted speed limits.

Eighty-four percent (414) of New Jersey's police agencies participated in the crackdown, a decline of 12% from last year's all-time high of 473. A number of agencies reported noteworthy accomplishments during the crackdown,

including fourteen agencies making at least 15 DWI arrests during the two-week campaign. These numbers clearly point to the need for continued efforts to eradicate impaired drivers from our roadways.
