

CRACKDOWN REPORT

NEW JERSEY DIVISION OF HIGHWAY TRAFFIC SAFETY

OVER THE LIMIT, UNDER ARREST STATEWIDE CRACKDOWN • AUGUST 19 – SEPTEMBER 5, 2011

Impaired driving causes many unnecessary deaths and injuries on New Jersey's roadways each year. In 2010 there were 168 alcohol-related fatalities in the state, meaning alcohol was a factor in 30% of all motor vehicle-related deaths. Despite the fact that alcohol-related fatalities have declined in recent years, the New Jersey Division of Highway Traffic Safety (NJDHST), the state's law enforcement community, and traffic safety agencies recognize that impaired driving remains a serious problem.

From August 19 - September 5, 2011, NJDHST again participated in the national *Over the Limit, Under Arrest* impaired driving crackdown. The goal of the crackdown is to mobilize all police agencies in the state to raise public awareness

about the dangers of impaired driving through a combination of stepped up enforcement and media activities.

NJDHST invited all 494 police agencies in New Jersey to support the initiative with 168 receiving overtime enforcement grants in the amount of \$4,400 each. The remaining agencies were asked to support the crackdown through the use of their own resources.

To help spread the *Over the Limit, Under Arrest* message, a statewide press release was issued just prior to the start of the crackdown. Police departments were also asked to engage their local media through the dissemination of press releases and public service announcements.

THE RESULTS

The 2011 *Over the Limit, Under Arrest* statewide crackdown resulted in 1,437 DWI arrests, down from 1,707 arrests during the 2010 campaign. In addition, participating police agencies issued 5,966 and 3,684 speeding and seat belt summonses, respectively. The crackdown focused on impaired driving, but as with all statewide traffic safety initiatives, motorists were again reminded of the state's commitment to proper restraint and obeying posted speed limits. The reduction in DWI arrests and other summonses can be partially attributed to Hurricane Irene, which struck New Jersey in the midst of the campaign. The storm and subsequent flooding severely affected the ability of many police agencies to dedicate their usual resources to the effort.

Eighty-five percent (418) of New Jersey's police agencies participated in the crackdown, up slightly from last year, when 417 agencies participated.

A number of agencies reported noteworthy accomplishments during the crackdown, including 16 agencies making more than ten DWI arrests during the two-week campaign. These numbers clearly point to the need for continued efforts to eradicate impaired drivers from our roadways.
