

CRACKDOWN REPORT

NEW JERSEY DIVISION OF HIGHWAY TRAFFIC SAFETY

DRIVE SOBER OR GET PULLED OVER STATEWIDE CRACKDOWN • AUGUST 17 – SEPTEMBER 3, 2012

Impaired driving causes many unnecessary deaths and injuries on New Jersey's roadways each year. In 2010 there were 168 alcohol-related fatalities in the state, meaning alcohol was a factor in 30% of all motor vehicle-related deaths. Despite the fact that alcohol-related fatalities have declined in recent years, the New Jersey Division of Highway Traffic Safety (NJDHTS), the state's law enforcement community, and traffic safety agencies recognize that impaired driving remains a serious problem.

From August 17 - September 3, 2012, NJDHTS again participated in the national *Drive Sober or Get Pulled Over* impaired driving crackdown. The goal of the crackdown was to mobilize all police agencies in the state to raise public awareness about the

dangers of impaired driving, through a combination of stepped up enforcement and media activities.

NJDHTS invited all 495 police agencies in New Jersey to support the initiative with 172 receiving overtime enforcement grants in the amount of \$4,400 each. The remaining agencies were asked to support the crackdown through the use of their own resources.

To help spread the *Drive Sober or Get Pulled Over* message, a statewide press release was issued just prior to the start of the crackdown. Police departments were also asked to engage their local media through the dissemination of press releases and public service announcements.

THE RESULTS

The 2012 *Drive Sober or Get Pulled Over* statewide crackdown resulted in 1,459 DWI arrests, up from 1,437 arrests during the 2011 campaign. In addition, participating police agencies issued 6,550 and 4,258 speeding and seat belt summonses, respectively. The crackdown focused on impaired driving, but as with all statewide traffic safety initiatives, motorists were again reminded of the state's commitment to proper restraint and obeying posted speed limits. It is estimated that nearly 15,000 enforcement man-hours were worked during the campaign, which included 47 fixed DWI checkpoints.

Eighty-five percent (419) of New Jersey's police agencies participated in the crackdown, up slightly from last year, when 418 participated. A number of agencies reported noteworthy accomplishments during the crackdown, including 16 agencies making more than ten DWI arrests during the two-week

campaign. These numbers clearly point to the need for continued efforts to eradicate impaired drivers from our roadways.
