CRACKDOWN REPORT

NEW JERSEY DIVISION OF HIGHWAY TRAFFIC SAFETY

DISTRACTED DRIVING STATEWIDE CRACKDOWN • APRIL 1 – 21, 2015

One of the greatest traffic safety challenges facing our nation is the issue of distracted driving. In 2013, 3,154 people were killed nationally in distracted driving crashes and an estimated 424,000 were injured. The number of injuries represented an almost ten percent increase from the estimated 387,000 people injured in 2011.

Distracted driving is any activity that diverts a person's attention away from the primary task of driving. All distractions endanger driver, passenger, and bystander safety. These distractions include texting, using a cell phone, eating and drinking, talking to passengers, grooming, reading (including maps), using a navigation system, watching a video, and adjusting a radio, CD player, or MP3 player. The statistics regarding cell phone use while driving are particularly alarming. At any daylight moment in the country, approximately 660,000 people are using their cell phone while behind the wheel.

In New Jersey, driver inattention is far and away the leading contributing circumstance in motor vehicle

crashes. Between 2009-2013, driver inattention was a factor in 787,000 crashes in New Jersey, which is an average of 157,000 per year. During the same period, driver inattention was a contributing factor in 3,600 fatal and incapacitating crashes, which is an average of 720 per year.

To draw attention to this serious issue, the NJ Division of Highway Traffic Safety (NJDHTS) carried out a statewide distracted driving enforcement crackdown from April 1-21, 2015. The slogan utilized for the campaign was the National Highway Traffic Safety Administration's distracted driving tagline *UDrive. UText. UPay.*

April, 2015 was also National Distracted Driver Month, which was a time to remind New Jersey motorists of the state's recently strengthened distracted driving laws, which include a ban on hand-held cell phone use and text messaging by all drivers and a ban on all cell phone use (hand held or hands free) by novice drivers.

THE RESULTS

NJDHTS invited all 495 police agencies in New Jersey to support the initiative with 38 receiving overtime enforcement grants in the amount of \$5,000 each. The remaining agencies were asked to support the crackdown through the use of their own resources.

The *UDrive. UText. UPay.* 2015 Distracted Driving Statewide Crackdown resulted in 8,318 summonses for cell phone use/texting and 5,286 for careless driving. In addition, participating police agencies issued 7,179 and 4,513 speeding and seat belt summonses, respectively. The crackdown focused on distracted driving, but as with all statewide traffic safety initiatives, motorists were reminded of the life saving benefits of proper restraint usage and obeying posted speed limits. It is estimated that nearly 5,000 enforcement man-hours were worked during the campaign, which included 42 fixed distracted driving checkpoints.

63% (313) of New Jersey's police agencies participated in the effort. A number of agencies reported significant accomplishments during the crackdown, including 15 agencies which issued more than 125 cell phone use/texting summonses during the three-week campaign.

New Jersey residents clearly believe that distracted driving is a problem. In a 2014 FDU PublicMind poll commissioned by NJDHTS, 68% of respondents said they "very often" see other motorists talking on a cell phone while driving and 41% said they "very often" see drivers texting behind the wheel. It is hoped that the *UDrive. UText. UPay.* 2015 Distracted Driving Statewide Crackdown achieved the goal of mobilizing the state's law enforcement community to begin addressing and reversing this dangerous driving behavior.
