

CRACKDOWN REPORT

NEW JERSEY DIVISION OF HIGHWAY TRAFFIC SAFETY

DRIVE SOBER OR GET PULLED OVER STATEWIDE CRACKDOWN • AUGUST 18 – SEPTEMBER 4, 2017

It is clear that much progress has been made in recent decades in the fight against impaired driving. What was once “socially acceptable” behavior on the part of the public in terms of drinking and driving is no longer acceptable. Great emphasis has been placed on enforcing impaired driving laws and educating the public on the dangers of impaired driving. The problem, however, has not been eradicated. Nationally, there were 10,497 impaired driving fatalities in 2016. For the five year period 2011-2015 New Jersey experienced approximately 39,485 alcohol involved crashes, resulting in 778 fatalities.

From August 18 - September 4, 2017, NJDHTS again participated in the national *Drive Sober or Get Pulled Over* impaired driving crackdown. The goal of the crackdown was to mobilize all police agencies in New Jersey to raise public awareness

about the dangers of impaired driving through a combination of high visibility enforcement backed up by targeted media activities.

NJDHTS invited all 496 police agencies in New Jersey to support the initiative with 151 receiving overtime enforcement grants in the amount of \$5,500 each. The remaining agencies were asked to support the crackdown through the use of their own resources.

To engage the public with the *Drive Sober or Get Pulled Over* message, a statewide press release was issued just prior to the start of the crackdown. Police departments also conducted outreach in their communities through press releases, public service announcements and displays on variable message boards.

THE RESULTS

The 2017 *Drive Sober or Get Pulled Over* statewide crackdown resulted in 1,382 DWI arrests (alcohol or drug impaired), down from 1,649 in last year’s campaign. In addition, participating police agencies issued 7,767 and 4,449 speeding and seat belt summonses, respectively. There were also 1,865 summonses issued relating to the distracted driving offenses of cell phone use or texting while driving. It is estimated that approximately 17,000 enforcement man-hours were worked during the campaign, which included 17 fixed DWI checkpoints.

Seventy-eight percent (388) of New Jersey’s police agencies participated in the crackdown, which is up from last year, when 365 agencies participated. A number of agencies reported significant accomplishments during the crackdown, including 15 agencies making 11 or more DWI arrests during the two-week campaign.
