CRACKDOWN REPORT

NEW JERSEY DIVISION OF HIGHWAY TRAFFIC SAFETY

DISTRACTED DRIVING STATEWIDE CRACKDOWN • APRIL 1 – 21, 2019

Distracted driving is one of the most serious challenges that we currently face in our efforts to keep roadway users safe. The most pervasive distracted driving habit is talking or texting on a cell phone while driving. Distracted driving takes many other forms though, any of which can endanger not only those who drive distracted, but also those drivers' passengers, adjacent vehicle occupants, and nearby pedestrians.

In 2017 alone, 3,166 people were killed nationally in distracted driving crashes and more than 46,000 were injured. In New Jersey, driver inattention remains the most significant cause of fatal and incapacitating crashes. Driver inattention was listed as a contributing circumstance in 51 percent of the state's crashes in 2017 and was a contributing factor in more than 733,000 crashes from 2013-2017.

In response to these troubling statistics, the New Jersey Division of Highway Traffic Safety (NJDHTS) carried out a statewide distracted driving enforcement crackdown from April 1-21, 2019 with the slogan *U Drive. U Text. U Pay.*

April, 2019 was also National Distracted Driving Awareness Month, which was a time to remind New Jersey motorists of the state's distracted driving laws, which include tiered penalties for repeat offenders that can subject violators to a license suspension.

THE RESULTS

New Jersey was one of only four states nationally to receive dedicated distracted driving incentive grant funding from the National Highway Traffic Safety Administration (the others being Maine, Connecticut, and Oregon). This special funding allocation allowed NJDHTS to award overtime enforcement grants to 207 police agencies in the state. All 491 police departments in New Jersey were invited to support the campaign, whether they received grant funding or not.

The *U Drive. U Text. U Pay.* 2019 Distracted Driving Statewide Crackdown resulted in 15,105 citations for cell phone use/texting and 6,286 for careless driving. In addition, participating police agencies issued 9,185

and 5,839 speeding and seat belt citations, respectively. The crackdown focused on distracted driving, but as with all statewide traffic safety initiatives, motorists were reminded of the life saving benefits of proper restraint usage and obeying posted speed limits. It is estimated that more than 25,000 enforcement man-hours were worked during the campaign, which included 89 fixed distracted driving checkpoints.

81% (399) of New Jersey's police agencies participated in the effort. A number of agencies reported significant accomplishments during the crackdown, including 15 agencies which issued more than 150 cell phone use/texting citations during the three-week campaign.
