

## Data Resources List

June 17, 2010

**National Highway Traffic Safety Administration (NHTSA)** - NHTSA's mission is to save lives, prevent injuries and reduce economic costs due to road traffic crashes, through education, research, safety standards, and enforcement activity. [www.nhtsa.gov](http://www.nhtsa.gov)

**National Center for Statistics & Analysis (NCSA)** - The National Center for Statistics and Analysis (NCSA), an office of the National Highway Traffic Safety Administration (NHTSA), is responsible for providing a wide range of analytical and statistical support to NHTSA and the highway safety community at large. [www.nhtsa.gov/NCSA](http://www.nhtsa.gov/NCSA)

**CATS - Customer Automated Tracking System** - Gives customers access to NCSA's electronic publications, documentations, manuals, and presentations. In addition, customized data requests and/or questions can be submitted directly to NCSA. [www-nrd.nhtsa.dot.gov/cats](http://www-nrd.nhtsa.dot.gov/cats)

**STSI - State Traffic Safety Information** - Contains frequently requested motor vehicle fatal crash data on a State and county level. Five years of most recently available data are provided. [www-nrd.nhtsa.dot.gov/departments/nrd-30/ncsa/STSI/USA%20WEB%20REPORT.HTM](http://www-nrd.nhtsa.dot.gov/departments/nrd-30/ncsa/STSI/USA%20WEB%20REPORT.HTM)

**FARS (Fatality Analysis Reporting System) Encyclopedia Website** - Encyclopedia of several years (1994 – most recently available) of FARS data and information with a tool chest of resources. You can create reports with drill down capability, query the data, download the data, access NCSA's publications, state laws, documentation, and terms and definitions. [www-fars.nhtsa.dot.gov](http://www-fars.nhtsa.dot.gov)

**DOTTRCC.gov** - This website provides information on the US Department of Transportation Traffic Records Coordinating Committee (DOTTRCC). The goal is to support data improvements at all levels of government that minimize duplication, improve uniformity, advances electronic data collection, and facilitate data access and use. It also contains information on State promising practices and projects. [www.dottrcc.gov](http://www.dottrcc.gov)

**Safercar.gov** - The nation's premier source of vehicle safety information from the government, serving the public interest. Contains safe driving information such as tire ratings and safety, rollover prevention, air bag safety, crash test and rollover ratings, and vehicle defect and recall information. [www.safercar.gov](http://www.safercar.gov)

**NHTSA·TSIS.net** - This website provides information on NHTSA's Traffic Records Program. It also contains information on State TRCC Coordinators, an inventory of State Traffic Records Systems, State crash reports and reporting thresholds as well as State Strategic Plans. [www.nhtsa-tsis.net](http://www.nhtsa-tsis.net)

**TrafficRecords101.net** - This is an online curriculum for use by State and local traffic safety professionals. This curriculum provides the basics, as well as an understanding of specific data components and technologies included in a comprehensive traffic records system such as, Crash,

Roadway, Driver, Vehicle, Injury Control, Citation/Adjudication, Motor Carrier, Exposure, and Data Analysis. [www.trafficrecords101.net](http://www.trafficrecords101.net)

**Distraction.gov** – A source of comprehensive information on distracted driving including campaign tools, stats & facts, State laws, and what’s going on at DOT. [www.distraction.gov](http://www.distraction.gov)

**FARS FTP Site** – Complete inventory of FARS user files, 1975 to current year, in SAS and DBF format. <ftp://ftp.nhtsa.dot.gov/FARS>

**NASS (National Automotive Sampling System) GES (General Estimates System) FTP Site** – Complete inventory of GES user files, 1975 to current year, in SAS and Flat Text format. <ftp://ftp.nhtsa.dot.gov/GES>
