

Insurance Fraud is a CRIME in New Jersey!

Training Opportunity:

## Roll Call: Insurance Fraud Overview For Police Departments

The New Jersey Office of the Insurance Fraud Prosecutor is offering insurance fraud training for police departments. This training will help law enforcement officers recognize potential fraud situations as first responders on the scene and throughout the course of their investigations. This training will provide red flag indicators of insurance fraud to be aware of as well as provide local and state resources available to police departments to assist them in their investigations. This training will be offered on five different dates at five different locations throughout the state of NJ. **If you are interested in attending this training program on one of the dates listed below, please kindly RSVP to the link listed under the specific Date and Location you would like to attend to register.**

**Time:** Registration 8:30am to 9:30 am / Training 9:30 am-12:45pm

**Cost:** FREE / Open to all Law Enforcement in the State of NJ
