

WILLIAM

What I feel inside is love
Only to be judged
By the man up above.

What I feel is pain
That's driving me insane
What I feel is
Shame
For thinking my life is a game

What I feel is
Struggle.

RAQUEEM

What's in side of me:
The guts of a strong man
I'm stranded on a far away land
Just trying to get my mind right
So I could walk through the day
And sleep through the night.

What's Inside of Me

What's inside of me
Sometimes makes me happy
But sometimes makes me sad
A couple of times I want to cry
Then again
Once in a while
I'm really glad.

What's Inside of Me

A monster waiting to come out,
Or is it love trying to beat
My tonsils out

Because I will do whatever it takes
Because I know everybody makes mistakes
I love you like a fat kid love cake
You know my style
I'll do anything to make you smile

So you should know what's inside of me
Happiness, lust, love

Can you see what's inside of me?

MARCOS

I'm in the emergency room
And it's my job
To save this man's life
I have to take a bullet out of his chest
I can't let this innocent man die
All of a sudden I hear tapping on my desk
The teacher then says my name
And then asks me what I want to be
When I grow up.

Markel

What's Inside of Me

Things that inside of me is
Beautiful, but I don't know
Why I don't show it
Sometimes.

I wonder where I am going
To be in five years from now
But now I know and I am going
To live a happy life.

MATT

What's Inside of Me
Love

Love is inside of me
Waiting to come out
It's something that can't be misinterpreted
No matter what comes about

I don't know how to release it
It's something hard to do
I can't wait 'til that day comes
When I could explain my love to you.

My love is deep

No one can measure
I can't wait to be next to you
It will be my pleasure

What's inside of me is strictly love
I want to feel your hugs and kisses
Because one day I'm A make you my Mrs.

MICHAEL

What's Inside of Me

There's stuff built up for years
What's in side of me
Stuff would probably leave you in tears
What's inside of me
A little bit of hate
What's inside of me
I'm a man just trying to keep my faith
What's inside of me
Most of the time I can't trust no one
What's inside of me
Well, maybe a couple of my sons
What's inside of me
Well maybe it's death ahead
What's inside of me
Maybe I just bump my head.

RAHKEE

What's Inside of Me

What's inside of me is a good heart
And a good person
Who cares about everybody and
Anybody.

My favorite thing is love; not to hate
Because people who hate is a nobody
And I'm a somebody.
Cry or die, I love to see
People have fun, laugh...
Now you know what's inside
Of me.

I Remember Times

I remember the times
When me and my mother
Went through the hard
Times and the good times.
Most of all

I remember her
Taking care of me,
Since I was a little boy.
The hard times was
Like her crying when
That first time I got
Locked up.
And she was
Happy when I came home
That next week. Anyway.

TERRANCE

What's inside of me, a real brotha
That's true to the game that kept it
Gangsta.
From the start, what's inside of me,
A cold heart, made of stone
No love at all
Maybe I should've cared for somebody
Maybe that was my downfall.
What's inside of me, a savage, in rage,
suicidal thoughts stuck in my brain,
A animal caged
Locked and chained
I can't escape it, somebody stop the rain.

That's what's inside of me.

ANTHONY

Why Am I Who I Am?

Why am I who I am?
I ask myself all the time.
Not that my name has weight
But my name is understood
By many. Let's forget my name
And ask again
Who am I?

I am a young Black American king.
That sounds between good and bad.

Now let's sit back and understand
This statement.

I am a young Black American king,
So I am
But still
Why am I who I am?

I am me because the way
That I stand out.

Loved by few,
Hated by many
Respected by all.

SHYQUAN

Me, Myself, and I

Three's a lot to talk about me
But there's a few like myself
That don't know me, me myself
And I.

Hold up, I just read a book,
That ask who I am.

I took a second just to think
And was a little startled for
A minute.

Me, Myself and I...
It's a question that
Me, myself and I should ask!

But I know who I am,
I'm Shyquan, a man
Built with confidence and
Personality.

That's why I ask me, myself and I.

KARON

Love

I think about love
And why my girl
Ever feel in love
With this solid-hearted thug.

I may, sometime get mad
At her, but never play her out.

Our love started from a seed
And grow like a sprout.

When she's down,
I'm there to pull her up.
My love for her is stronger
Than a pick-up truck.

We separate
And get back together
Summer, spring winter, fall
No matter what the weather.

To get a woman's heart,
You don't need money or gold or leather.
It's based on words, feelings and pleasure.

So when you think about love,
Think about what's inside,
Not outside, cause a pretty face
Can be a hurtful surprise.

But sometimes I ask myself
What is love?

What's on my Mind

PIERROT

When people look in my eyes,
I ask them what do they see,
Is it a reflection of me or a portrait they didn't paint;
But want to be,
I keep quiet because silence is also a speech,
Constantly day dream about having sex on the beach,
How can I explain surpassing levels others have failed to
reach,
I speak the truth,
Many think I preach,
I have a burning desire,
It feels like my body's on fire,
I think if I were to fall off the face of the earth,
Life wouldn't leave me a space in the dirt,
It's inevitable for me to withstand pain,
When temptation falls upon me like rain,
At a time love was my reason to maintain,
Now my aspirations help me sustain,
I've learned destiny is not a matter of chance but choice,
I dearly miss my first love's voice,
What I thought I had, I've lost,
I get on my knees and pray to the cross,
Assuring me I'll eventually be a boss,
That's why my heart must stay cold like winter frost.

The Guts of A Strong

What's inside of me
The guts of a strong man
Someone stranded on a far away land
Up for three days and nights
But I'm never worried
For the time being
I'm just trying to get my mind right
So I could walk through the day
And sleep at night
No matter what comes my way
I'll be ready to put up a fight
The guts of a strong man
Is what's inside of me.
