Occasional Statewide travel required for work responsibilities.

NUMBER OF POSITIONS AVAILABLE: One (1)

DUTIES: Under direct supervision in the Division of Administration, Information Technology Section, maintains a detailed knowledge of the Division of Alcoholic Beverage Control's (ABC) oracle licensing program functions to provide troubleshooting and desk side support to ABC employees; communicates with vendor support when needed; troubleshoots employee desktop complaints, reinstalling software as necessary; identifies and resolves local area network issues, report wide area network issues; assists with video conferencing needs; does other related duties as required.

REQUIREMENTS

EDUCATION: Graduation from an accredited college or university with an Associate's degree in Computer Science or Computer/Information Technology.

EXPERIENCE: One (1) year of experience in at least one of the following areas: the design and preparation of programs for electronic data processing utilizing current operating systems, modification of systems software and multiprogramming technology; or the development, maintenance, or installation of application programs; or in performing technical support functions within a direct access device environment, or the development, implementation, and maintenance of multi-network, multi-user Local Area Networks (LAN), Metropolitan Area Networks (MAN), and/or Wide Area Networks (WAN) environment.

NOTE: Technical support functions include experience in resolution of online production and/or communications network problems, and/or code modification, testing, and debugging of program modules in an online environment, and/or space allocation and control of direct access storage devices (DASD management).

NOTE: A Bachelor's or Master's degree in Computer Science may be substituted for one (1) year of indicated experience.

SPECIAL NOTE ON SUBSTITUTING EXPERIENCE FOR EDUCATION

NOTE: A general Bachelor's degree from an accredited college or university may be substituted for the Associate's degree.

Experience in the study of work methods/processes, analysis of varied types of data, design and preparation of systems/programs, operation of multiprogramming computer systems and work in the data processing support areas of input/output control or reliability support may be substituted for the required education on a year-for-year basis with thirty (30) semester hour credits being equal to one (1) year of experience.

NOTE: Evidence of formal training in Computer Science/Information Technology received at an accredited institution may be submitted with your application for evaluation by the Department of Personnel for possible credit. These training courses will be examined to see how they compare, both in hours/content, to college courses to which they equate, sixteen (16) training hours being equal to one (1) college credit. In house training courses will not be accepted as meeting this criterion; thus, they will not be evaluated.

LICENSE: Appointees will be required to possess a driver's license valid in New Jersey.

RESUME NOTE: Eligibility determinations are based upon proof of degree submitted and the information presented on your resume. Applicants who possess foreign degrees (degrees earned outside of the U.S.) are required to provide an evaluation with a course-by-course breakdown, approved by the Civil Service Commission, indicating its U.S. equivalency prior to the closing date. Failure to do so will result in disqualification.

If qualified, please send a cover letter indicating interest in job vacancy announcement #22-264 and a current resume on or before the closing date of May 24, 2022 to:
